At Least Six Members, Enough for Passage, Favor Legislation

Override of Sewer Vetoes Assured, Poll of Council Shows

By CHARLES L. MARTIN

Marion City Council will vote Monday night to override vetoes of four pieces of legislation pertaining to suburban sewer improvements, a poll of councilmen revealed today.

Six of the nine council members polled said they definitely will vote to adopt the legislation over the mayor's vetoes. Two others are undecided and another plans to vote not to override.

With six votes assured, the legislation will become law without the mayor's approval. The city code rules that a veto may be overriden by a two-thirds majority of council—six votes.

Of the four pieces of legislation involved, two are to provide for the extension of the Forest Lawn Dr. sewer to the city limits, one is to set a tapping fee for properties along the extension and the other is to authorize the signing of a contract between the city and County Sewer District 1.

All four pieces of legislation were adopted 8-0 by council at its May 26 meeting, when one of the members was on vacation. The mayor subsequently vetoed the legislation as of June 3 and officially presented his vetoes and objections to council at its June 9 meeting.

The six council members who are definite in their decision to override the vetoes are: Richard Lister (R-at large), Thomas Fetter (D-at large), Harold Smith (D-at large), John Robbins (D-1st), Mrs. Norma Jacob (D-5th) and Emmett Osterholt (R-6th).

Both Mr. Osterholt and Mr. Lister explained why they believe council should adopt the legislation over the mayor's vetoes.

Mr. Lister said that extension of sewers into the southeast suburban area is the only way the city can realize a return on the investment it already has in the Indiana Ave.-Forest Lawn Blvd. and Forest Lawn Dr. trunk sewers. And, he said, the extension can be provided without jeopardizing other proposed projects in the city.

There is a balance of $525,000 remaining from the $1,135,000 sanitary sewer bond issue previously authorized by council, he reports.

Deducting the $36,500 cost of the Forest Lawn Dr. extension as estimated by the city engineers, the balance is reduced to $489,000 he points out.

Total estimated cost of the Pearl St. Davids-Woodrow and Silver St. projects is some $396,700 if the city engineers' estimates are used for Pearl and Davids-Woodrow and Floyd G. Browne and Associates estimates are used for Silver St., he reports. The city engineers have not yet worked up an estimate on the Silver St. project.

This leaves a balance of some $92,000 to cover any contingencies that may arise on the three projects or to cover the higher cost the city engineers estimate for the Silver St. project, he said. The city engineers have said the Silver St. project could cost as much as $100,000 more than the Browne and Associates estimate.

Mr. Lister said that the only way for the city to obtain additional sewer revenue income without increasing sewer service charge rates is to provide for sewer extension into suburban areas.

(Turn to SEWER VOTE, Page 10)

OUT WITH THE OLD. Some "heavy" reading matter was tossed out of the law library in Common Pleas Court this morning to make room for new volumes. D. L. Everly (left) court investigator, and Fred Miller, bailiff, dropped the old law books onto Court St. from the second story library window and then loaded them on to a waiting pickup truck which hauled the volumes to a junk yard. Mr. Miller said it was the first time old volumes had been junked in about 10 years. Judge Paul D. Smith said law books are never discarded until a publishing company's attorney declares them "absolutely obsolete."

Vote To End Freight, Travel Levies

Senators Rebuff Leaders, Smash Line on Tax Slash

Knowland, Johnson Are Overridden

Action Is Setback For Administration Hold-the-Line Stand

WASHINGTON (AP)—Senators favoring anti-recession tax cuts renewed their drive today, encouraged by a surprise vote to wipe out levies on passenger tickets and freight.

The Senate sharply rebuffed the Eisenhower administration and its own leaders Thursday night as it voted repeal of the World War II transportation taxes despite pleas that such action might open the way to cuts elsewhere.

Proposes Auto Cuts

Sen. Charles E. Potter (R-Mich) pressed ahead with another proposal for cutting the automobile excise tax, while Sen. Paul H. Douglas (D-Ill) said he planned another stab at reducing taxes on small business.

The Senate was called into session an hour earlier than usual in an effort to complete action on these and other amendments to a House-passed bill to extend present corporation and major excise tax rates for a year beyond June 30.

Both Republican leader William F. Knowland of California and Democratic leader Lyndon B. Johnson of Texas opposed the amendments to repeal the 3 per cent freight tax and the 10 per cent levy on passenger tickets.

Amendment Adopted 56-25

The amendment erasing the freight levy was adopted 59-25, with 33 Democrats and 26 Republicans joining forces to write it into the bill. Voting against it were 10 Democrats and 15 Republicans.

The vote approving repeal of the 10 per cent levy on passenger fares was 50-35. Twenty-seven Democrats and 23 Republicans voted for repeal, while 17 Democrats and 18 Republicans voted against it.

Secretary of the Treasury Anderson has estimated that repeal of the freight tax would cut revenues 487 million dollars and the passenger fare levy 230 million, a total of 717 million annually.

Just before the vote Knowland

Ike, Leaders Talk About U.S. Defense

175 Military, Civil Officials Gather for Quantico Discussion

QUANTICO, Va. (AP) — President Eisenhower came to this Marine base today for a review of America's global defense strategy.

The President arrived in the rain after a 45-minute drive over the 35 miles from Washington. He had intended to make the trip by helicopter but heavy rain washed out that plan.

Annual Conference

Old soldier Eisenhower is here for a Defense Department annual conference which brings together all the top brass—military and civilian—in the nation's defense establishment.

He was greeted on arrival by Secretary of Defense McElroy and Lt. Gen. Merrill B. Twining, commandant of the Marine Corps schools.

He went directly to a briefing on the Pacific situation by Adm. Felix B. Stump, commander in chief of all U.S. Pacific forces.

The President also arranged to be on hand for morning talks by Allen W. Dulles, chief of the Central Intelligence Agency, and Christian A. Herter, undersecretary of state.

The President was not scheduled for any formal talk at the defense sessions, but there was a possibility he would speak informally at one of the meetings.

About 175 civilian and uniformed leaders gathered here for the session.

Assistants Join Ike

The President's party included Robert Cutler, special assistant for national security affairs; Gordon Gray, director of defense mobilization; Gen. Andrew J. Goodpaster, White House staff director; Capt. E. P. Aurand, the President's naval aide; Maj. Gen. Howard M. Snyder, Eisenhower's personal physician; and White House press secretary James C. Hagerty.

There were no announced plans for Eisenhower to talk to the conference which meets annually to discuss internal Defense Department matters and worldwide military problems.

However, Eisenhower may choose to stress to the generals and admirals his strong belief in the importance of his plan for streamlining the administrative

MUSIC LOVER RIDES ALONG. A music-loving mynah bird decided to get a closer seat during a recent troop concert by the 27th "Wolfhound" Infantry Regiment at Schofield Barracks in Honolulu. Sp./3c Evaristo Escobido, clarinetist, doesn't know what's going on, but the bass drummer behind him gets a big bang out of it. (UPI Telephoto)

Khrushchev Out To Top U.S.

Soviets Act To Increase Yield From Agriculture

MOSCOW (AP) — The Soviet Communist party today announced another step in Premier Khrushchev's plans to beat U.S. agricultural production by giving Russian farmers more incentive to grow more.

The party's Central Committee announced collective farms no longer will be required to deliver a large part of their output to the government at a fixed low price.

Instead, a new pricing system will be established for the entire output of collective farms. It aims to introduce an element of competition for low-cost, efficient production.

Two Members Promoted

A report on the Central Committee meeting of about 250 members on Tuesday and Wednesday also said two men were promoted to alternate membership in the committee's ruling Presidium, the key unit of power in Russia. It has had 15 full members and 9 alternates.

The two are N.V. Podgorny, first secretary of the Ukranian Communist party, and Premier D. S. Poliansky of the Russian Federation, largest republic in the Soviet Union.

Makes Farm Policy Speech

(There was no mention that the Central Committee meeting produced a shakeup in the Kremlin leadership, as Western observers had speculated might be taking place. Both the changes in the agricultural system and the promotion of Podgorny and Poliansky indicated Khrushchev still was in control.)

The committee decisions were based on a farm policy speech to it by Khrushchev. Publication of the speech — possibly Saturday—may clarify some points left vague in the published plan.

Dag, Lebanese Premier Open Arab Meetings

Negotiator for U.N. Seeking Solution To End Rebel Hostilities

BEIRUT, Lebanon (AP)—The Lebanese government was reported at odds with Dag Hammarskjold today on the role of the U.N. observer team in this country's rebellion.

Sources close to the U.N. secretary general say Hammarskjold thinks the United Nations job at this moment is principally one of observation.

The government, however, is insisting that the U.N. team police the border to prevent infiltration by hostile forces.

Beirut was relatively quiet but there was some fighting in the Mozeitbeh area, the Christian section adjacent to the Basta Moslem area where the opposition leadership is entrenched.

Desultory firing was also heard in the Zarif Moslem area in the center of town. But generally both sides seemed to be adhering to a tacit understanding that there be no major attacks during Hammarskjold's efforts here.

Rebels remained alert at their roadblocks and strongpoints in Beirut and throughout the country.

The secretary general met with Sami Solh, Lebanese Premier, and one of the targets of the rebellion.

Hammarskjold was accompanied by David Blickenstaff, the American secretary of the U.N. observation group looking out for United Arab Republic intervention in the rebellion.

Hammarskjold flew in from New York early Thursday. Most Lebanese hoped he would find a way to end the rebellion. The rebels are seeking to oust pro-Western President Camille Chamoun and replace Solh with a premier who favors U.A.R. President Nasser's brand of Arab neutralism.

Turks, Greeks Dissatisfied

Cypriots To Turn Down British Plan

NICOSIA, Cyprus (AP) — Turkish Cypriot leaders have rejected Britain's partnership plan for governing this embattled island. The Turkish government agreed to talk about it and the Greek Cypriots awaited word from Athens today.

A Greek government source said Premier Constantine Karamanlis' Cabinet definitely would reject the plan, which calls for the Greek and Turkish governments to join Britain in governing the island. The NATO allies were putting strong pressure on Greece at least to join in discussions and Britain planned to go ahead with the plan in any event.

Confers With Leaders

Archbishop Makarios, exiled leader of the Greek Cypriot movement to unite the island with Greece, conferred in Athens with Cypriot mayors. He said he would send his views to the British today.

Thirty thousand British troops waited tensely to put down any new violence growing out of the three-nation tug of war which threatens the Mediterranean anchor of the North Atlantic Treaty Organization. Rioting between Greek and Turkish Cypriots has cost 17 lives this month.

The last week has been comparatively quiet, but today a 25-year-old Turkish Cypriot was critically wounded in the crowded market place at Limassol.

Greek Cypriots Stoned

A crowd of Turk Cypriots gathered after the shooting, and four Greek Cypriots were stoned. The British clamped a rigid curfew on the city and rushed in large numbers of troops.

Although the Turks sent a note rejecting the plan as such, they agreed to negotiate on it and attend any conference with Britain and Greece. Earlier Turk Cypriot leader Rauf Denktash said the plan did not set up safeguards to keep the island from uniting with Greece and "we are not interested." The Turkish minority wants Cyprus partitioned.

The new British plan calls for participation by the Greek and Turkish governments in the control of Cyprus for the next seven years and partitioning the island legislature, although not the island itself.

It gives a measure of self-government to the Cypriot people while Britain, in consultation with Greece and Turkey, retains control of defense, internal security and foreign affairs.

Prober Asks More Details On Goldfine

Rep. Bennett Wants Inquiry Into All His Washington Contacts

WASHINGTON (AP) — A Republican member of a House investigating subcommittee called today for an inquiry into all of Bernard Goldfine's contacts with federal officials during the last 10 years.

Rep. John B. Bennett (Mich) said "I'm of the opinion that (Sherman) Adams is not the only official of the federal government who has enjoyed Goldfine's hospitality."

Adams, President Eisenhower's top aide, has testified he accepted gifts and favors from Goldfine, a wealthy Boston industrialist, on the basis of a long friendship. He said he also got in touch with two federal agencies on matters relating to Goldfine, but denied

Balks in Red Probe Testimony

Stage Manager for TV Show Dropped by CBS

NEW YORK (AP) — The stage manager of the television show, "I've Got a Secret," has been fired for refusing to tell a congressional subcommittee whether he ever was a Communist.

Joseph Papp's dismissal by the Columbia Broadcasting System Thursday came just a day after Charles Dubin was fired as director of the NBC-TV quiz show, "Twenty One." Dubin had balked Wednesday before the subcommittee.

During two days of hearings by the House subcommittee on Un-American Activities, 17 witnesses invoked the Fifth Amendment against self-incrimination. The other witness took the First Amendment, guaranteeing freedom of speech.

Arthur Lief, American guest conductor for the Moiseyev Russian dance company, also was dropped by the Ed Sullivan CBS-TV show for refusing to tell the subcommittee whether he is a Communist. He was to appear June 29 with the dance company on the Sullivan show.

The witnesses also included

Consolidation Of 3 Telephone Firms Effected

The consolidation of three General Telephone Co. systems in Ohio will be completed Saturday, according to C. E. Williams of Marion, president of the General Telephone Co. of Ohio.

The merger was made through the acquisition by the General Telephone Co. of properties of the Ohio Consolidated Telephone Co. and the Chesapeake Telephone Co. Certificates of dissolution for the latter firms have been filed in the Ohio secretary of state's office, Mr. Williams reported.

As a result of the consolidation, the total telephone plant of General of Ohio is increased in value from $40,985,000 to $58,907,000. Mr. Williams pointed out that the expanded operations will comprise 182 exchanges serving 185,000 telephones in 70 counties in Ohio.

The combined number of employes will total 2,000, with an annual payroll of $7,087,000. Mr. Williams added that over-all costs of the consolidated firm will exceed $9,000,000 during this year.

Would Dull Effects of Adams' Furor

Republicans Pin Hopes On Upturn in Business

WASHINGTON (AP) — Republicans apparently hope a substantial upturn in business will come along soon to get them off the political hook of the Sherman Adams controversy.

GOP members of Congress are divided in support and opposition to President Eisenhower's decision to keep Adams at work as his right-hand man despite the furor over Adams' acceptance of costly favors from millionaire industrialist Bernard Goldfine.

But few Republicans doubt that the Adams incident has hurt their chances of re-election in about the same degree that Democratic candidates were affected by corruption charges against the Truman administration in 1952.

The Republican hope is that there will be more important—and more cheering — matters to discuss in September and October, before the general election vote.

Fundamentally most of the Republicans have felt that the economic situation in October is likely to be more influential on the election results than almost any other single issue.

SWEATING OUT THE VERDICT. While a Canton, O., jury of eight men and four women retired to consider a verdict in the first degree murder trial of Harry Dale Bundy, the worried 40-year-old defendant tried to reassure his wife. The jury brought in a not guilty verdict. Bundy had been convicted and was sentenced to death in a previous trial. (UPI Telephoto)

Reports Presented

County Heart Council Nominates New Officers

Officers for the coming year were nominated when the Marion County Heart Council held its quarterly meeting Thursday night in the auditorium of Marion General Hospital.

They are; Dr. Philip Smith, president; Dr. Daniel Murphy, vice president; Miss Marjorie Williams, corresponding secretary; and C. W. Smoot, treasurer. Election ballots will be mailed to members within the next few days.

—:—

DR. JAMES McGLEW and Mrs. Wayne Kuhn were named delegates to the annual meeting of the Central Ohio Heart Association.

A. Merle Hamilton, president, conducted the business meeting, during which Mrs. Kuhn, chairman of the 1958 Heart Drive, reported a total of $9,756 received to date.

A number of projects are currently being undertaken by the local Heart Council. Among them are the sponsorship of two members of the Marion Correctional Institution's fire fighting unit to a course in resuscitation at Ohio State University. Other volunteer fire units throughout the county have been invited to take advantage of the same course. The council wall pay expenses for those from this area attending the one-day session.

It was announced that educational posters will be distributed to local factories under the cardiac-in-industry program.

Dr. McGlew reported that films purchased for city and county schools are available for showing to interested groups and may be scheduled through the respective school health departments.

—:—

IN OTHER business, the group decided to sponsor an educational booth at the Marion County Fair.

During the meeting, recognition was paid three members of the local council who recently received honors on a state level.

Honored were Dr. Smith, Mr. Hamilton and Dr. William B. Leffler.

Dr. Smith, who is now serving as first vice president of the 650-member scientific council of the Central Ohio Heart Association, is a member of the council's fellowship committee as well. Both he and Mr. Hamilton are members of the board of trustees of the association.

Dr. Leffler is serving his second term on the research committee of the scientific council.

New members of the council, introduced at the meeting, were Dr. Frederick W. Rea, Mrs. Floyd Kelly, Mr. and Mrs. Ernest Stock, Dr. Vernon Nichols and Dr. Jerry Morris.

The next council meeting will be in September.

The average speed of freight trains is about 19 miles per hour. However, the running speeds are considerably more because the average speeds are computed after all stops made for switching, picking up and setting out cars.

TV Quiz Queen Needs Loan To Take Vacation

NEW YORK (AP)—A Brooklyn woman applied for a bank loan Thursday to finance a summer vacation.

She had good looks and brains—neither of which is very good collateral.

She had no job. And she had no husband to cosign her note.

But she had the best security in the world, the loan man said.

She was TV quiz queen Elfrida von Nardroff, with winnings of $253,500 so far and a chance for more.

She can't get her hands on a penny of the winnings as long as she remains on the NBC show "Twenty-One."

So the bank is rushing through the loan for her.

Miss von Nardroff, 32, is the all-time top money winner on TV. She quit her job as a personnel manager in May to study for the weekly quiz sessions.

She'll be back on the show next Monday night. She would lose some of the money if she is defeated. And at this point federal and state income taxes would take about $200,000.

Madagascar, French island colony off the east coast of Africa, was previously named La France Orientale.

From Death Row to Freedom

Bundy Wins Acquittal In Murder Case Retrial

CANTON, Ohio (AP) — Harry Dale Bundy, who spent five months in Ohio Penitentiary's death row, has a new lease on life.

A Stark County Common Pleas Court jury Thursday night acquitted Bundy, 40, of Zanesville, in a second trial for first-degree murder.

The former Canton man was convicted June 22, 1957, of slaying Reynold Amodio, 30, manager of the County Line Market near Uniontown and was sentenced to die last Nov. 8.

However, the Fifth District Court of Appeals ordered a new trial after considering 12 errors cited in the appeal notice filed by his attorneys. The Ohio Supreme Court refused to consider the case.

Amodio and Paul Cain, 35, a clerk, were slain in a robbery at the market on Nov. 23, 1956.

Bundy's new trial began June 2. He was implicated in the slayings by Russell McCoy, 22, also of Zanesville, who admitted that he shot Cain and testified at Bundy's first trial that Bundy killed Amodio.

McCoy, awaiting trial for first-degree murder here, also was indicted on the same charge in Muskingum County in the slaying of his half-sister, Mrs. Lloyd See, and her husband. The Sees were shot to death in their home at Zanesville Feb. 9, 1957.

McCoy blamed Bundy for informing on him in the Zanesville slayings. He said he had told Bundy about them before leaving for the West.

Following his arrest for the See slayings, McCoy implicated Bundy in the Uniontown crime.

Bundy contended he was visiting bars in Canton the night the two market workers were slain.

Following Thursday night's verdict by the jury of eight men and four women, Bundy leaned over a chair, his hands over his face, sobbing. His wife, Mary, jumped over the railing and embraced him. They have five children ranging from 2½ to 20 years old.

Prosecutor Norman J. Putman announced he was placing the responsibility for both of the market slayings on McCoy alone and dropping all charges against Bundy. The latter also was indicted as an accomplice in the Cain killing.

"Two times around is enough," the prosecutor said as he shook Bundy's hand. "no use you sitting in jail."

ONLY a Bank...

can legally use the word "bank" in its title or its advertising. Loan associations and others may "look" like banks, but they are NOT banks, either by law or practice.

When you see the words "bank" or "trust company," you can be sure you've found the best place to keep your savings, to get a loan, or to enjoy many other financial services which only banks can give you. Put your faith . . . and your money . . . in a bank!

ONLY a Bank...

can assure prompt return of your insured deposit whenever you want it.

The law requires banks to keep heavy reserves of cash and U. S. Government Bonds. A bank is not allowed to lend any part of its legal reserves. These reserves are for YOUR cash needs.

Your BANK is always best for your money needs.

Talks on Conservation

State Wildlife Official Speaks to Kiwanis Club

Speaking on the conservation of natural resources, A. W. Short addressed the Marion Kiwanis Club at a noon luncheon at Hotel Harding Thursday.

The guest speaker, who is administrative assistant of the Ohio Division of Wildlife, pointed out that in pioneer days there was 14 inches of topsoil in Ohio.

Today, there is, at the most, only 4 or 5 inches left in the best areas. Furthermore, he continued, there are only 76 square miles of marketable trees in the state. Thus, approximately 85 per cent of the lumber used in Ohio must be imported.

—:—

STRESSING the importance of water as number one natural resource for farming, family and industry, Mr. Short declared that the average family of four, living in a five-room house, uses 844 quarts of water daily.

Where Ohio does rank high is in the sports field, said the speaker. It is among the top five states in the nation in number of sportsmen.

Enlarging upon this, Mr. Short said that there were 650,000 hunting licenses issued in Ohio in 1957 and 950,000 fishing licenses.

The program was arranged by the club's agriculture and conservation committee in connection with the early Thursday morning fishing derby. The speaker was introduced by James Smoot.

—:—

C. R. GROSS is chairman of the committee and was general chairman in charge of the derby. He was assisted with the program by Carl Knirk, vice president of the League of Ohio Sportsmen, who was a special guest at the meeting.

Other guests were the Rev. John D. O'Donnell of Pasadena, Tex., C. P. Vickery of Temple, Tex., and Art Loscher of Mechanicsburg, Pa.

Thirty-five club members participated in the fishing derby and breakfast held at the George Alber pond in Pleasant, the R. E. Douce farm in Martel, and the Wilfred Rush pond near Martel. Mr. Smoot was in charge of activities at the Douce location, W. L. Williams at the Rush pond and Ellwood Parrott at the Alber fishing site.

Pond owners were presented a complimentary copy of "Ohio's Wildlife Resources" and were guests at the noon luncheon.

Receiving awards from Mr. Gross were: Ralph Simpson, biggest blue gill caught; Dr. J. A. McNamara, biggest bass and C. G. Bloomingdale, most fish.

Reports were given during the business meeting by the three pond chairmen: Lloyd Williams, Ellwood Parrott and Mr. Smoot.

YMCA 'Rubber Neck' Trip Schedule Arranged

A YMCA "rubber neck" trip for grade school boys and girls will be made today to Marion Municipal Airport.

Other trips on the agenda are: Bill's Aquarium, June 27; Isaly Dairy Co., July 11; National City Bank, July 18; McMillen Feed Co., July 25th; Pollak Steel, Aug. 1; Houghton Sulky Co., Aug. 8; National Can Co., Aug. 15; and Whirl-Pool Corp., Aug. 22. The schedule opened with a trip to radio station WMRN Friday.

All trips, except those to the dairy, the bank and the sulky company, will be made by bus and will require 20 cents for transportation.

For each trip, the youngsters must show their "Y" membership card. Registration must be made in advance.

False Security Cited

AKRON, Ohio (AP)—Many accidents happen to drivers operating in legal speed limits and over-emphasis of minor speed violations gives a false sense of security to the driver who is in compliance. Russell E. Singer of Washington, executive vice president of the American Automobile Assn., told this in a speech Thursday to key personnel of the 58 clubs in the Ohio State Automobile Assn.

'Y' Day Camp Program Will Begin June 23

Due to a heavy late registration, the first period of YMCA day camp will be held, Miss Nell Bailey and Beryl Johnson of the YMCA staff, announced today.

It was earlier thought that the first week of the day camp program, scheduled to begin June 23, would have to be canceled because of insufficient registration.

However, since there are now 33 boys and girls between the ages of 7 and 12 registered, only 12 short of the quota of 45, the YMCA has decided to hold the day camp as originally planned.

Miss Bailey announced that there are 14 openings for the second session, 30 openings for the third and 20 for the fourth.

Under the "Y" sponsorship program, several youngsters normally unable to take part in this "Y" program have been able to attend day camp through the monetary aid of various civic clubs, businesses and interested individuals. Most of the youngsters attending day camp under this plan are referred to the YMCA from other community service agencies.

Mr. Johnson said the "Y" is highly pleased with community "interest and generosity" which makes it possible for those youngsters who would not normally be able to participate in the day camp program to benefit from this activity.

Bible Classes at Forest Slated To Open Monday

FOREST — The annual Vacation Bible School will open in Forest Monday morning with sessions scheduled from 9:15 to 11:15 a.m. daily except Saturday through July 3.

The five age groups represented will meet as follows: Nursery, all children three and four years old, Methodist Church basement; beginners, children entering school in the fall of 1958 and 1959, Presbyterian Church basement; primary, first and second grade pupils, Methodist Church basement; juniors, third and fourth grade pupils, Presbyterian Church Sunday School room, and intermediates, fifth and sixth grade pupils, Methodist Church classroom.

The Baptist, Methodist and Presbyterian churches are cooperating in conducting the school.

18 Children Enrolled In Waldo Kindergarten

Eighteen pupils enrolled during the first day of the newly-established kindergarten at Waldo Wednesday.

The kindergarten is sponsored jointly by the Waldo Board of Education and the Waldo Town and Country Mothers Club.

Teaching the class is Miss Marilyn Borkosky, an alumna of Waldo School and a June graduate of Bowling Green State University.

More pupils are expected to enroll within the next few weeks, according to a school spokesman.

Classes begin at 9 a.m. each weekday and dismiss at 11:30. Pupils are requested to bring a smock or shirt for use during painting classes and a mat for rest period.

Caesar's Wife Above Suspicion

President Eisenhower is doing wishful thinking when he says the Sherman Adams incident has been closed.

It has not been closed as far as the American people and the critics of Mr. Adams and the Eisenhower administration are concerned.

It should not be closed as far as Mr. Eisenhower is concerned, either, unless he deliberately wants to spread it on the record that he condones his assistant's admitted "errors of judgment."

Mr. Adams happens to be so firmly established as a man of flawless integrity that he can stare down the accusers who want to ruin his reputation. But if ever there was an excuse to moralize about the importance of being above suspicion in public life, the Adams episode was it.

If it had not been preceded by so much moralizing, much of it his own, it would not have been so shocking. The President's failure to reiterate his own outspoken views on men in public life who do things that bring discredit on themselves and on the government has been a bitter disappointment to everybody concerned about the preservation of representative government.

The world has been watching the struggle in France to preserve democracy against the shortcomings of the political system it has relied on. The world is watching the struggle in the United States, too — a struggle that came to a grim climax in the influence peddling that was common during the Truman administration.

The American people have a sour taste in their mouths about a "reform" administration that seems to have lost the edge of its zeal. Mr. Adams, second only to the President as an examplar of integrity, has admitted in a public hearing that he committed errors of judgment that could have been construed as corruption had anyone else committed them.

He had admitted, in effect, that Caesar's wife was not above suspicion.

The suspicion has done great damage to Caesar — the government — as will be painfully clear when the case is reviewed in this year's elections.

Representative democracy cannot afford a cynical assumption that its officials are beset by so many temptations that even the best of them will waiver and weaken occasionally.

It cannot afford an assumption that the tireless efforts of some of its citizens to curry favor cannot all be blocked and rejected out of hand; that personal influence always will show up to some extent in what is supposed to be the impersonal administration of public affairs.

It cannot afford an official attitude that implies a certain amount of special favor will be sought and won and that those in a position to exert the most influence will get the bulk of the favor.

Caesar's wife must be above suspicion, because otherwise damage will be done to Caesar, himself — the symbol of government.

Somewhere the Line Must Be Held

State Finance Director John A. Skipton's assurance that Ohio's budget will stay in balance without new taxes is the most heartening news about government that has been heard for a long time.

But there must be more to the assurance than Director Skipton's word for it. The O'Neill administration can hold down expenses until they squeak and still not come out with a balanced budget if Ohioans do not really want a balanced budget.

As every member of the General Assembly knows, the pressure for spending is always 10 times greater than the pressure for saving. The word already is being passed around the state that pressure for pensions, schools, state universities, welfare institutions and poor relief will become so great in the near future that Ohio will be forced to surrender its doctrine of "no new taxes."

The O'Neill administration — and its finance director — would like to have the advantage of campaigning this year on a no-new-taxes platform. But Ohio taxpayers would like to continue to have the advantages of living in a no-new-taxes state. This is a privilege they cannot enjoy if they let the General Assembly add so many new expenditures that they swamp the state budget.

Somewhere in the United States, the line must be held on both deficit spending and the endless piling on of new taxes on the same old taxpayers.

It is too late to hold it in Washington. It is too late to hold it in states that make no point of pride about prudence.

It would be too late to hold it in Ohio, famous for its balanced budgets, if the state ever fell into the hands of the spend-and-elect school of government. It is assuring to hear from the state finance director that the official intention is to save taxpayers from that grim fate.

Random Thoughts on U.S. Defense

Government by deliberation, which is what Congress supposedly provides, is going to keep the White House proposal for defense reorganization from being put into effect in its original form.

Secretary of Defense McElroy, testifying before the Senate Armed Services Committee, says changes already made by the House of Representatives would create even worse complications than the ones the White House proposal was trying to eliminate.

When the Senate finishes its deliberation, still further changes will have been made in the original proposal. Some of these may have merit. But it is likely some of them will have been made only because it is next to impossible for Congress to forego its deliberative function.

This function is guaranteed to eliminate any possibility of hasty action by executive order. It is absolute assurance that nothing ever will be served as hot as it has been cooked by the chef; that everything will be cooled off by restrictive amendments, deletions and changes, some of which will represent nothing more profound than the right to make them, whether they are necessary or not.

But in the instance of national defense, there is always this oddity — that the instant the country gets into trouble Congress, the deliberative branch of the government, puts all the pressure it can bring to bear on the executive branch for action! And it is with this in mind that the executive branch is asking the deliberative branch at this time to eliminate some of the bottlenecks and organizational booby traps that would interfere with action, if the time comes to go into action.

Deliberative government is invaluable. It may be the greatest invention of the Christian era. But in some of its aspects, it resembles a town council trying to determine by law what the town fire department should do if the paint works caught fire.

Safety Town Opens

The second Safety Town program to be held in connection with the Marion summer kindergarten will open next Tuesday, and for the second and probably the last time the Marion Rotary Club will be associated with the sponsorship.

The extent of the Rotary participation from a monetary standpoint will be reduced from 1957, when the club donated nearly $2,400 to help get the project started.

This year the Rotary contribution is $1,000 and the balance of the expense is being handled by the public school system.

This will be Rotary's final year of direct participation because the club feels it can serve its community best as a "starter" of projects. Once a program is firmly established it is normal Rotary procedure to move into new fields.

The exact impact of the safety instruction program for preschool children is difficult to judge but parents have been high in their praise of it, Supt. Brown reports.

Rotarians are proud to have had a part in getting it under way and hope it continues to operate effectively for many years.

The Once Over

By H. I. Phillips

You will soon be able to get tickets to Broadway shows through trading stamps. Two smart operators, with co-operation of Theater Corporation of America, have arranged with supermarkets and gas stations to issue stamps redeemable in entertainment. (Voice: "If I save 100,000 coupons can I see 'My Fair Lady'?" Answer: It may not take that many.")

Shoppers will get books in which to paste stamps, with a catalogue listing Broadway shows available as "premiums." Supermarket customers will now enjoy the novelty of getting "ham" at both the meat counter and box office.

THEATER JEALOUSIES are certain. How will Kate Cornell feel if she can be seen for eight books, while it takes 10 to see Judy Holliday? Fancy Beatrice Lillie in a situation where she must perform for fewer trading stamps than Gypsy Rose Lee!

How many homes will be split over the question, "Now that I have all these stamps which would you rather have, a copper chafing dish and six coffee coupons or Peter Lind Hayes and Mary Healy?"

The trading stamp idea has had terrific rebirth the last few years. There seems no good reason why folks won't go for Broadway shows with the same enthusiasm they go for floor lamps, electric toasters, and dishes.

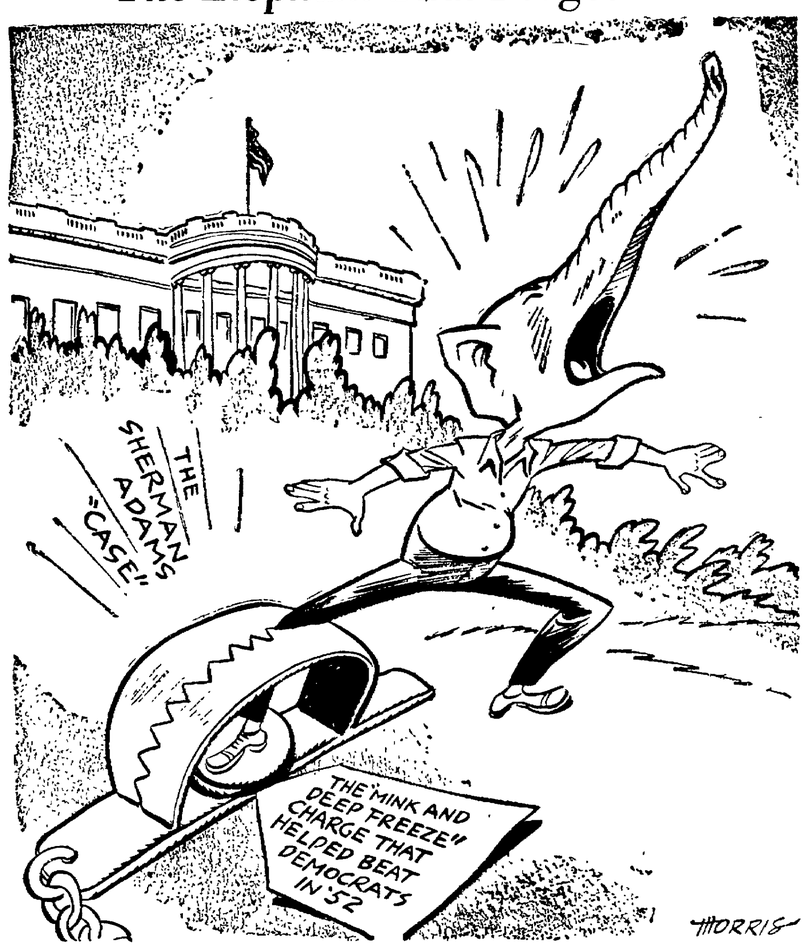
Our missus is already fascinated by prospect of saving enough stamps to turn them in for a set of Lunts and Barrymores or a load of Jessica Tandys and Hume Cronyns.

BOTH THE STAGE and supermarkets should benefit. Plenty of people would rather fight for trading stamps with the grocer than battle for seats with ticket brokers. But theaters should follow turn-about-is-fair-play routine and give show biz trading stamps which can be redeemed for pork chops, green vegetables and packaged scallops.

There are some Broadway plays which customers would gladly swap for a few pounds of hamburger and some sharp cheese. But there are also enough wonderful plays to make supermarket and gas station stamps worth while. Idea may spread to hotels, niteries, movies, etc., with trading stamp premiums including choice hotel suites, good table at night clubs and box seats at world series.

Will trading stamp audience be tough on shows? Stamp addicts are a hardy, shrewd bargain hunting breed accustomed to full value.

The Elephant That Forgot



Good From Ill Wind?

By David Lawrence

Utopia is here. No longer will there be gifts or campaign contributions to members of Congress that will influence their votes in the slightest. No longer will there be any telephone calls or letters from congressmen asking executive agencies to do favors for constituents. No campaign contributions running as high as $5,000 or $10,000 or $50,000—and certainly not $725,000, as in the case of a senator for whom a single labor union spent that big sum in a recent election—will be accepted hereafter from any source.

Lawrence

Also, no member of the Senate, when interrogating a nominee to an independent board or commission or court, will ever ask questions at a committee hearing that indicate even remotely what kind of decisions are expected of the nominee if he is confirmed. Such pressure will presumably be abandoned hereafter.

Everything seems to have changed as a result of the Sherman Adams case — except one thing. Suspicion still seems to be widely accepted as proof and innuendo as a substitute for evidence.

But maybe the emergence of the Adams case is an instance of an ill wind that does blow some good. For if all of official Washington now changes its practices, a tremendous gain for unpolitical government will have been achieved.

Sherman Adams says that what he did was "imprudent" but not dishonest. He is right on both counts but he might also have added that the appearance of imprudence is hindsight.

ALMOST EVERY public official in the elected offices of the federal and state governments has been constantly subjected to pressures from friends to get some action taken to which the petitioner thinks he is entitled. Even in the absence of any gift or campaign contribution, it's a kind of pressure the public knows little about. How would it all look now if the details of every case of pressure on officials in Washington were disclosed in the press?

One editorial in an Eastern newspaper said the other day that it is all right for senators and representatives to intercede for their "constituents" but that nobody in the White House has any constituents.

This is hardly realistic. Since the Democrats are in control of Congress, many a citizen who is of the opposite party thinks he can get justice only by going to the White House.

The President's office is the one place that has millions of "constituents" who seek fair treatment from government for their claims and petitions.

It is being said the Adams case will hurt the Republicans politically. This is a shortsighted view. For if the coming campaign resolves itself into a debate about past favors bestowed or brings up the matter of bribes given, it will merely result in a full and comprehensive discussion of the cases of those Democrats who, in public office, defrauded the government and went to jail for it.

THE REPUBLICANS may find this a rare opportunity next autumn to spread on the record again all the details of the scandals of the Truman administration which might otherwise have continued to be of little or no value as political ammunition.

Certainly the Sherman Adams testimony before the House committee and the statements issued since by the White House make it clear that there was no evidence of corruption. No confidential information was disclosed to Mr. Adams' constituent, because what was learned from the Federal Trade Commission chairman by Mr. Adams had already been made public. Hence, no law or regulations were violated.

Perhaps the persons who today have the most right to be indignant are the members of the Federal Trade Commission, the Federal Power Commission, the Federal Reserve Board, the Securities and Exchange Commission, the Interstate Commerce Commission and all the other independent boards in Washington.

FOR THE American people have just been told by Democratic party spokesmen that all that's needed to pervert justice and to reverse a decision is to have some assistant in the White House offices telephone to such a commissioner and merely mention the name of a friend or his case.

If a telephone call from the White House can prevent a decision on the merits of a case, then a telephone call from a senator could do the same thing. For, while the president has the power of reappointment, the Senate has the power of confirmation or rejection of any such appointee.

If out of the whole controversy comes a new respect for the integrity and honesty of the members of the independent commissions, so that they are not regarded by the American people as puppets of the White House or as tools of designing senators and representatives, then a great deal will have been accomplished.

(Copyright New York Herald Tribune)

A Time for Everything

By Truman Twill

One of the things notable about this summer is the lushness of the ground cover, resulting from the coolness.

This is evidence of a cycle in vegetation that is fascinating to watch over a period of years.

It is nature's way of proving what men should not forget — that there is a time and a season for everything. This is the season for grass.

On the little tract in Rosy Fingered Dawn where observations are made for this column, there has been a season of Spanish needles, a season for milkweed, a season for thistles and, this summer, a season for blue grass and white clover.

In no case was anything done to bring about the seasons, which have been dictated entirely by the circumstances of nature.

The myriads of white clover heads that cover the land this year were not planned in advance, any more than the Spanish needles that covered it one summer some years ago, or the milkweed that sprang up everywhere in another summer.

Neither was the blue grass that cropped up in abundance last year and in even greater abundance this year planted. It appeared out of nowhere.

A neighboring farmer whose attention was called to this phenomenon of nature nodded agreement and recalled that one year the land he had been holding in pasture bloomed unexpectedly in red clover, although he had planted none.

One year, the acreage on our place was thick with a rank growth of sweet clover that grew so thick it defied mowing. Because sweet clover is useless as pasturage and poisonous to some ruminants, it looked like disaster had cropped out in the growth cycle.

But a year later, there was no sweet clover to be found. It was the same with milkweed, which appeared one year and never has appeared since.

There are years when dandelions have the upper hand, years when mustard threatens to dominate, years when nettles outgrow everything else.

After several years of indifferent progress, English perennial rye grass this year has spurted ahead of all competitors. Oat grass also is having a boom year. There are no less than a dozen varieties of grass to be found in varying quantities and degrees of prosperity on the same land, and in any given year one or more of these varieties may leap ahead of their competitors and threaten to take permanent possession.

But it never actually turns out that way. In another year, it will be something else that will find optimum growing conditions.

Whatever lessons nature can teach those who are willing to learn, this may be the most important one.

"For everything there is a season, and a time for every matter under heaven" — exactly the way it was stated in Ecclesiastes.

GRIN AND BEAR IT **By George Lichty**

"This doesn't look like the TV dinner I usually buy, Mr. Truffle! . . . or is this a 'summer replacement? . . ."

Probers Easy on Adams

By James Marlow

WASHINGTON

The House subcommittee probing Sherman Adams' relations with Bernard Goldfine is neither the sharpest, toughest nor most thorough group that ever quizzed a witness on Capitol Hill.

The treatment given Adams when he went before the subcommittee compared with that handed other witnesses in other cases before other committees—was almost like a once-over lightly with a feather-duster.

On June 10 the subcommittee disclosed that Goldfine, an industrialist, had footed more than $2,000 in bills run up at his expense at a Boston hotel by Adams, President Eisenhower's chief assistant.

THIS CAUSED such a storm that on June 12 Adams wrote the subcommittee, acknowledging he had stayed at a Boston hotel and charged it to Goldfine. He added something which the subcommittee apparently didn't know: that he had done the same at a hotel in Plymouth, Mass.

On June 13 at a news conference James Hagerty, Eisenhower's press secretary, referred to Adams' letter and said he believed the President's No. 1 aide had "put on the record all the facts."

As it turned out, Adams hadn't put all the facts on the record.

ON JUNE 16 the subcommittee disclosed Adams had also stayed at the Waldorf-Astoria Hotel in New York at Goldfine's expense, although he didn't mention that in his letter.

Adams confirmed that when he appeared before the subcommittee June 17. He also informed the congressional group in his testimony, but not in his letter, that:

He had received from Goldfine vicuna cloth—which he said cost Goldfine's mills $69—for a coat and that Goldfine had given him —on loan—an expensive oriental rug.

The information about the vicuna and the rug didn't come from the committee—in fact, subcommittee counsel Robert W. Lishman said he didn't know about either—but from a reporter and a newspaper.

A REPORTER asked Hagerty June 12— the same day Adams wrote his letter—if it was true Eisenhower's aide had received a $100 vicuna coat from Goldfine.

On June 13 the New York Post reported that Goldfine and Adams had picked out a $2,400 oriental rug at Macy's in New York. Goldfine paid for it with a check drawn against one of his textile mills, the paper said.

Hagerty refused to confirm or deny these statements. But he did say that day he believed Adams had put all the facts on the record in his letter and said Eisenhower didn't think Adams had done anything improper.

Eisenhower, at his June 18 news conference, while expressing belief in Adams' honesty, admitted he thought Adams had been imprudent.

BUT WHEN Adams went before the committee no attempt was made to find out why the facts he gave in his testimony—about the Waldorf-Astoria, the vicuna cloth and the rug—hadn't been given in his letter.

Counsel Lishman did quiz Adams about the information the latter got for Goldfine from federal agencies. But the only one who tried to go deeper into Adams' relations with Goldfine was Rep. John E. Moss (D-Calif).

But even Moss made moralistic speeches. So did the other committee members who said anything at all, including the chairman, Rep. Oren Harris (D-Ark). With the possible exception of Moss, none of them made any attempt at vigorous questioning.

Things We Can Do Without

By Hal Boyle

NEW YORK

Wives are always writing notes to themselves headed: "Things to do."

Every now and then, however, when the foibles of civilization become oppressive, mankind ought to compose a different kind of list — a list of things we could all do without, a catalogue of expendables.

HAL BOYLE

Here are a few personal nominations:

The Russian problem, the Algerian problem, the Middle East problem — and the middle age problem.

THE CURRENT vogue of "sick jokes" such as this one: "Papa, why is mama lying there so white and still?". "Shut up, and keep digging!"

Television Westerns in which every character needs a psychiatrist except the villain's horse.

People who greet you by patting your stomach and saying: "Still putting it on, eh?"

The word "No!" when used by women.

People who have given up smoking, drinking and thinking—all at the same time.

Books about decadence in the South.

Books about decadence in the suburbs.

All books over 300 pages long.

Recession.

Inflation.

People who wear sunglasses on cloudy days.

Fond parents who insist on showing you photos of their children.

PET OWNERS who buy expensive items such as gold identification tags or mink jackets for dogs.

Martinis made with gin.

Martinis made with vodka.

Hosts who insist on subjecting their guests to the joys of backyard cooking at the height of the mosquito season.

Rock 'n' roll.

Fat men who persist in wearing plaid caps three sizes too small for them.

Fat ladies who wear a bikini, although they are three sizes too large for one.

Bosses who begin a conversation, "Now look, this is harder for me than it is for you."

Bosses who brag, "I never asked a man to do anything I wouldn't do myself."

People who say out loud to elevator operators, "Guess you have your ups and downs. Heh, heh, heh."

(The Associated Press)

News of Other Years

40 YEARS AGO—Great artillery activity developed in the Somme and Ancre valleys on the Picardy battle front and near Albert and La Basse. Gains were made by the Allies along the Italian front.

Mrs. H. E. Leach, executive head of the British WAAC organization (Women's Auxiliary Army Corps), offered to come to America and organize a like group here.

Acting under orders from Postmaster General Burleson, post office inspectors in New York, Boston, Baltimore and Washington seized thousands of night letters which the Western Union Telegraph Company was alleged to be attempting to deliver by messenger instead of over the wire. Charges were filed against the telegraph firm that messengers carrying these night letters traveled from city to city on government passes violating a federal statute by interfering with the government's mail delivery monopoly.

20 YEARS AGO—Heads of five leading government spending agencies made detailed outlines of bridges, sewers, etc., under the administration's $3,755,000,000 relief and public works program.

A campaign to abolish the sales tax and several other statewide levies through a constitutional amendment caused considerable consternation among tax experts and legislators in Columbus.

The stock market showed a brisk rise for the first time in a month.

10 YEARS AGO—The 80th Congress wound up its affairs in a weary Sunday session.

Parishioners and friends filled St. Mary Catholic Church to help the Very Rev. William J. Spickerman, pastor of the church, celebrate a solemn high mass on the occasion of the 40th anniversary of his ordination to the priesthood.

The Marion Cubs beat the Newark Yankees in two of three weekend ball games.

A new record was set when a paid attendance of 82,781 saw the Cleveland Indians take two games in a Sunday afternoon doubleheader with the Philadelphia Athletics in Cleveland stadium.

Daily Bible Thought

"Then Cain went away from the presence of the Lord, and dwelt in the land of Nod east of Eden." Gen. 4:16. This story was brought by Abraham from Ur, a city of Sumer, far older than Babylon. Cain had slain his brother because he was envious of him. This is the oldest recorded sin and the most universal. A jury in America will render a verdict favoring a poor man against a rich man unanimously with no regard for the law nor the evidence according to Dean Roscoe Pound, for 25 years dean of Harvard Law School.

Clark Will Make Parts for Missiles

Clark Metal Products Co. of Marion has been awarded a contract to manufacture 1,631 fabricated missile parts for Redstone Arsenal, Huntsville, Ala., according to Thomas Clark Jr., president and general manager of the firm.

"Although the contract is not large, we will gain experience valuable to the missile program in the future," Mr. Clark said.

Besides making fabricated metal parts, Clark Metal is one of the leading designers and manufacturers of precision tools, dies, jigs, fixtures and special machines in central Ohio. The company also produces a variety of metal stampings, including products for the fishing tackle, houseware and appliance industries.

Youth Activities

4-H CLUBS

The LaRue Senior 4-H Club met Wednesday in the Bowling Green Grange Hall. Plans for a roller skating party were postponed until sometime in July. Jim Sager talked on tornadoes and how best to protect oneself from them. A softball game preceded the meeting.

—:—

The Waldo Stitch and Stir group met Wednesday in the Waldo School. Discussions were held on summer 4-H camps, the rural arts and safety talk program and the summer talent contest.

Harriet Hickman presided for the meeting, which was attended by 17 members. The next session was planned for 2 p.m. June 25.

Attorney Acquitted

YOUNGTOWN, Ohio (AP)—Attorney Vincent P. Serman Thursday was freed by a Common Pleas Court jury of a charge he aided and abetted a $250,000 insurance claims swindle here.

Serman, 32, denied from the witness stand that he endorsed or cashed three checks totaling $3,300 which were involved in fake claim against the American Associated Insurance Co. The checks were processed by John J. Tobin Jr. while employed by the firm as a claims adjustor.

Miss Donna Carpenter, Roger D. Holbrook Wed

Miss Donna Jean Carpenter of near Marion and Roger Dale Holbrook of Richwood were united in marriage on Sunday, June 1. The wedding took place at 2:30 o'clock in the afternoon in the lounge of Emanuel Lutheran Church with only members of the immediate families attending. Officiating for the double ring ceremony was the pastor, the Rev. M. E. Hollensen.

The bride is the daughter of Mr. and Mrs. Charles M. Carpenter of near Marion and the bridegroom's parents are Mr. and Mrs. Eldon Holbrook of Richwood.

Attending the couple were Mr. and Mrs. Walter Winter of McLean, Ill., uncle and aunt of the bride.

The bride was attired in a dress of ice blue lace over taffeta with which she combined white accessories. Her rhinestone jewelry was a gift from the bridegroom and she carried a large white orchid on a white Bible. Mrs. Winter wore a rose colored dress of shantung and a corsage of white Frenched carnations surrounding a cymbidium orchid.

Mrs. Carpenter chose for her daughter's wedding a blue silk shantung dress with white accessories. Mrs. Holbrook was attired in a bemberg dress of gray and violet with white accessories. The corsage of each was a cymbidium surrounded by white feathered carnations.

Following the ceremony, a reception was held at the home of the bride's parents. Centering the table was a tiered wedding cake topped with miniature bride and bridegroom figures. Lighted white candles completed the decorations.

—Photo by Stewart
Mrs. Roger Dale Holbrook

Serving were Miss Carol Jane Carpenter, sister of the bride, and Mrs. B. W. Clarke of Heyworth, Ill., aunt of the bride.

The couple took a wedding trip to Niagara Falls, Canada, and now are making their home just south of Marion.

Mrs. Holbrook was graduated from Pleasant High School and Mr. Holbrook from Richwood High School. Both are employed by Smoot Roush & Manter, Certified Public Accountants, in Marion.

Ohio Congressman Disagrees With President in Adams Case

WASHINGTON (AP) — Some Ohio Republicans in Congress are expressing open disagreement with the White House for the first time since President Eisenhower took office.

The cause is the Sherman Adams case—and Eisenhower's determination to keep Adams as his top aide despite the favors he accepted from industrialist Bernard Goldfine.

Perhaps the most outspoken Adams critic among Ohio Republicans here has been Rep. William E. Minshall, spokesman for Cleveland suburbs.

Minshall sat listening to Adams defend himself before House investigators the other day. Then he read Eisenhower's statement supporting Adams.

But Minshall still wasn't satisfied.

"As repugnant as it is for me to disagree with the President, I feel constrained to say definitely that Sherman Adams should go," Minshall told a reporter.

"He has breached the confidence of the President. The impropriety of his conduct is such that he should leave."

Talk like this foreshadows a certain change in campaign strategy by a number of Ohio Republicans. In other words, they may run on their own record, not Eisenhower's, this fall.

This certainly will be true of Minshall and another Ohio GOP congressman, David A. Baumhart Jr., who doesn't like the White House decision on Adams either.

But as it happens, both Minshall and Baumhart ran pretty much on their own record last time. Neither mentioned Eisenhower much.

To a large extent, this same go-it-alone approach is expected to be used also by John W. Bricker, who is running for re-election as Ohio's Republican senator.

In contrast to some other Republicans, Bricker has stoutly refused to be drawn into the Adams affair. He used the "mess in Washington" theme against the Democrats the last time he ran, but has chosen neither to defend nor criticize Adams.

The small band of Ohio Democrats in Congress has remained unusually silent about Adams. Some said privately they don't expect to use the incident in their campaigns, that they will just let the public make up its own mind.

Rep. Charles A. Vanik, a Cleveland Democrat, told a reporter: "As long as the Republicans in high public office are repudiating (former New Hampshire) Gov. Adams and his concepts towards office, there is no need for Democrats to intervene."

New Assistant Pastor Is Assigned to Bucyrus

BUCYRUS — The Rev. Paul Dorley will take over his duties here Saturday as assistant pastor of Holy Trinity Catholic Church. He succeeds the Rev. A. A. Kuhlman, who recently was assigned to the pastorate of Our Lady of Loudres Church at Genoa, O., after serving here eight years.

The Rev. Dorley has been assistant pastor of St. Mary's Church in Mansfield for the last two years. His assignment was announced this week by Bishop George J. Rehring of the Toledo Diocese.

Chrysler Buys Site

FINDLAY, Ohio (AP) — A 200-acre site southwest of here along U.S. 25 has been purchased by the Chrysler Corp., the auto company announced Thursday. The announcement, which did not say how the land would be used, said the purchase was part of a long-range planning program.

VAUGHAN PRINTING HOUSE

Weddings

Announcement is being made of the marriage of Miss Ann Doersam, daughter of Mrs. Annabell Doersam of near Wharton, and the late Albert Doersam, to Joe Bell, son of Mr. and Mrs. Vaughn Bell of Wharton, which took place Saturday, June 14, in the Bethany Lutheran Church near Upper Sandusky. Only the immediate families were present for the double ring ceremony read at 6:30 o'clock in the evening before the altar decorated with bouquets of roses and peonies and lighted candles in two seven-branch candelabra. The Rev. William J. Zoltner of Upper Sandusky officiated.

The bride was attired in a street length dress of embossed pink nylon with which she combined white accessories. She carried a white Bible topped with white carnations and greenery and showered with white satin ribbon streamers.

Miss Louis Jean Thompson of Mount Blanchard, as maid of honor, wore a blue and white silk street length dress with white accessories. Her corsage was of white carnations.

Jack Bell of Wharton served his brother as best man.

Mrs. Doersam chose a blue dress with navy accessories for her daughter's wedding, and Mrs. Bell wore a blue silk dress with white accessories.

A reception followed at the home of the bride's mother where a two-tiered wedding cake topped with a miniature bride and bridegroom centered the table. Serving were Misses Mary Beck and Lois Walton. When the couple left for a wedding trip to the Smoky Mountains, Mrs. Bell was wearing a navy blue dress with red accessories. They will reside in a trailer home west of Wharton.

Mrs. Bell was graduated from Wharton High School this year. Her husband, a graduate in 1955, is engaged in farming.

—:—

Announcement is being made of the marriage of Miss Norita Fricke, daughter of Mrs. Adah Fricke of Cardington and the late Paul Fricke, to Charles Mories, son of Mr. and Mrs. Charles O. Mories of 976 N. State St. The wedding took place on June 12 in the lounge of Emanuel Lutheran Church with the pastor, the Rev. M. E. Hollensen, reading the double ring ceremony at 6:30 o'clock in the evening.

Attending the couple were Mr. and Mrs. Ralph King of Mount Gilead.

A reception followed at the home of Mr. and Mrs. Willis Long in Cardington.

Mrs. Mories was graduated from Cardington High School and is employed with the Hydraulic Press Mfg. Co. in Mount Gilead. Her husband, in service with the U.S. Army, is stationed at Ft. Knox, Ky. Prior to entering the service he was employed at the Marion Engineer Depot.

'Y' Mixers To Meet

The "Y" Mixers, the Marion YMCA's adult social club, will hold its June dance Saturday at 7:30 p.m. at the YMCA. The group is meeting on the third Satuday evening of every month during the summer season.

Saturday evening's event will be open to all adults in the community who enjoy folk, round, or square dancing. Plans will be made for the next two summer dances.

Mrs. Joe Bell

Previous to her marriage on June 14, Mrs. Bell was Miss Ann Doersam. Details are in the wedding column.

Michigan Man Turns Up $1,095 in Plowing

MOUNT CLEMENS, Mich. (AP) —Maurice Sucaet was plowing on his farm May 9 when he turned up a broken jar.

Sucaet was about to throw the jar away when he noticed the corner of a $5 bill in a ball of mud inside the jar. He sent the jar and the mud to the Treasury Department.

The department notified Sucaet Thursday the remains of bills in the mud were worth $1,095 and it was forwarding a credit for that amount.

The average farm in New Jersey consists of about 75 acres, compared to between 200 and 700 in Arizona and California.

Registrations Reach 1,106 in Play Program

Tennis, Table Games, Softball, Crafts Are Enjoyed by Children

Registration for the four playgrounds and tennis instruction at Harding High School reached a high of 1,106 during the first week of operation, according to Paul M. O'Rourke, recreation director.

The figures at the individual playgrounds were: George Washington, 342; Lincoln Park, 260; Glenwood School, 232; Silver St. School, 230; and Harding High tennis courts, 42.

Tennis instruction under Mr. O'Rourke, Harding tennis coach, continues eight weeks. Those still interested may register next week, said Mr. O'Rourke. New classes begin Monday. Tennis instruction is given Monday through Thursday from 9-12 a.m.

Attendance at the playgrounds has been higher in the afternoons than mornings due to Daily Vacation Bible Schools. Children are encouraged to come in the afternoon only, if attending Bible school, said Mr. O'Rourke.

Next week the softball league will get into full swing with two inter-playground games scheduled.

A variety of activities is being enjoyed at the playgrounds, Mr. O'Rourke said.

At George Washington, a new game, "Frisbee," or "Flying Saucers" is quite a hit. Boys and girls here also enjoy finger-painting.

Glenwood participants are preparing for softball competition, and that is the most popular activity there.

Table games and various physical activities, such as baminton and softball catch the interest at Lincoln Park.

Mr. O'Rourke says: "Silver Street, where all activities are being used, has made a good start in its first year of operation."

Playgrounds are open Monday through Friday from 9 to 12 a.m. and 1 to 4 p.m.

Registration will continue through out the summer and Mr. O'Rourke urges all Marion boys and girls to participate in the program, which is free of charge.

Taxes

(Continued From Page 1)

appealed to the Senate to reject the amendment in the light of "the cold, hard facts of the budget situation."

The Senate - House Committee on Internal Revenue Taxation said the freight amendment would repeal the 3 per cent tax on all classes of freight, whether in carload or less than carload lots, and whether carried by land, sea or air. Congressional experts at first said pipeline shipments were not affected, but later said they were in error and the bill in its present form would repeal the 4½ per cent levy on crude oil and "liquid products thereof" moved by pipeline.

The amendments written into the bill by the Senate will force the measure to go back to the House before final action can be taken.

The Senate Finance Committee had urged acceptance of the House bill without change, to prevent a drop of $2,600,000,000 in tax revenues.

MARION YEAR AGO TODAY

Maximum 78
Minimum 51

TODAY'S ALMANAC

Sun rose at 5:02 a.m. and sets at 8:04 p.m.

Bank Using New Accounting System

ONE OF THE new electronic accounting machines installed at the National City Bank's main office and its West Town Branch is shown here being operated at the main office by Mrs. Gloria Ringle. Used to handle checking account bookkeeping, the new machines are the first to be installed in any bank in Marion.

"These electronic posting machines will greatly increase the operating efficiency of our bank and provide quicker and more satisfactory service to our customers," said Robert E. White, bank president.

The machines simplify bookkeeping while increasing the speed of handling and improving accuracy.

Manufactured by the National Cash Register Co., the new machines automatically store checking account balances in the form of magnetic symbols recorded on black strips imprinted on the backs of conventional bank statement and ledger forms.

With the new system, each checking account customer will be issued a plastic plate imprinted with his account identification number.

Letters explaining the new system and containing the identification cards are to be mailed to some 4,000 checking account holders.

Once the entire system is operative, a checking account customer will use the plastic identification card to imprint his account number on each deposit slip so there can be no chance of a deposit being posted to the wrong account.

Explanation of the new machines and their operation was made Wednesday and Thursday to representatives of the bank's larger commercial checking account customers.

'Y' Accepting Registrations For Its Camp

Registrations for Camp Nelson Dodd, an Ohio-West Virginia Area YMCA camp, are now being taken at the local YMCA.

The first of five one-week periods for boys, aged 9 to 13, was held this week with other sessions to be June 22 to July 4, July 6 to 18, July 20 to 27 and July 27 to Aug. 3.

Camping periods for older boys, aged 14 to 18, will be held June 22 to July 4, July 6 to 18, July 20 to 27 and July 27 to Aug. 3.

Each of the two separate camp programs includes all aspects of resident camping.

The camp is located north and east of Mount Vernon, near Brinkhaven, on the edge of Mohican State Forest.

David H. Jones, executive secretary of the Marion YMCA, directed Camp Nelson Dodd camping for the last four years. Camp director this year is LaForest Smith, a member of the Ohio-West Virginia area YMCA staff.

Jerry Garver of Marion will be a cabin counselor, and Bill Blake, another Marionite, also will be on the camp staff.

The cost for a one-week camp period will be $24; for the 12-day periods, $39.

A special attraction for the older boys will be a Michigan Canal trip. Boys and counselors will journey to Michigan, after a three-day stay at camp for testing and orientation, for more than a week of camping and canoeing in the northland.

Limited to 14 boys, aged 14 to 18, the trip will be July 6 to 18. There is a $50 fee for this program.

Manager

(Continued From Page 1)

Benjamin Steinberg, violinist in the orchestra of the Broadway musical show, "The Music Man," and Clifford Carpenter, an actor in "Sunrise at Campobello," a Broadway play. Steinberg refused to say whether he is a member of the Communist party. Carpenter denied present membership but declined to say whether he had been a member in the past five years.

Papp, who also has managed the free Central Park Shakespeare festivals here, told the subcommittee he is not now a member of the party, but he refused to say if he ever had been. Dubin also had said he is not now a Communist but refused to say whether he has a past Communist record.

Second Quarterly Tax Distribution Scheduled

The second quarterly sales tax distribution of $30,991 and a $44,000 gasoline tax distribution were being prepared for mailing to governmental subdivisions today by County Auditor Maurice C. Clements.

Under the gasoline tax distribution, the county will receive $20,000 and each of the 15 townships will receive $1,600, the auditor said.

The sales tax distribution, which is the same as it was for the first quarter of 1958, is apportioned as follows:

City, $15,495; county, $10,846; townships, $3,100, and villages, $1,550.

GOP

(Continued From Page 1)

It was for that reason they were cheered with Eisenhower's report to the Republican state chairmen that there are some clear signs of a business upswing.

No Details to Newsmen

Newsmen were given no details of the picture Eisenhower painted in response to the state chairman's questions. But a number of government reports on sales, inventories, employment and other indicators have shown gains in recent weeks. The Assn. of American Railroads reported Thursday that last week's freight carloadings reached a new high for 1958.

Federal Reserve officials reported that while current easy money policies are being continued, they no longer see a need for pouring more millions into the money supply.

On the other hand they indicated no present plan to raise interest rates or take other anti-inflationary steps.

Picture Remains Clouded

The economic picture remains clouded, with conflicting indications.

National Chairman Paul M Butler told a Democratic rally in Gary, Ind., Thursday night that "the Republican administration is attempting to cover up the real unemployment situation by adding up small seasonal gains in an effort to present a rosy but false picture of the nation's economy."

Butler said Labor Department figures show 13 of every 100 workers in durable goods lines are jobless. He said 16 of every 100 in transportation equipment and 14 of 100 in primary metals are unemployed.

Butler coupled criticism of what he called the "Eisenhower-Nixon inflation" with a new attack on Adams. He said the cost of living has gone up $2.25 a week under the Republicans.

"To an administration that thinks nothing of accepting lavish gifts . . . it is understandable that $2.25 a week doesn't make much impression," he said, "but to the unemployed worker it may well mean a meal for himself and his family which he cannot afford to buy."

Showers Continue; Still More in Sight

A total of .67 of an inch of rain fell on Marion County Thursday afternoon and evening, hiking the total rainfall for the month to 4.66 inches, a scant .21 of an inch less than the 4.87 inches that came down for all of June last year.

The temperature continued cool with the rain, and the mercury never exceeded 72. It dropped to an overnight low of 54 and was back to only 65 at noon today, as a heavy overcast kept the county shrouded in gloom.

The weatherman called for scattered thundershowers again tonight in his forecast this morning, with an outlook for partly cloudy and continued cool Saturday.

Today's anticipated high of 70 may be followed by an overnight low of 55 and a peak reading of 70 tomorrow.

Submits Low Bid

HUNTINGTON, W.Va. (AP) — The W. H. Heiby Co. of Marietta, Ohio, submitted the apparent low bid of $143.375 Thursday to construct an Army Reserve training center at Marietta. Army engineers estimated the cost at $147,067.

Cardington Group Closes 20th Year With Dinner Party

The Cardington Rotary Club commemorated its 20th anniversary Thursday night by joining members of the Marion and Galion Rotary clubs for a dinner in the officers club at the Marion Engineer Depot.

Ladies night was observed and some 118 members and guests of the three clubs attended the celebration.

The Rev. Paul C. Walter of Galion gave the invocation and a buffet supper was served by a Toledo catering service. The Rev. Walter also led group singing with Rudolph Weise of Cardington at the piano.

Floyd H. Davis, president of the Cardington club, welcomed members of the three clubs and introduced the following guests:

District Gov. Jack D. Zink of Fremont, and Mrs. Zink; Col. J. Arthur Hamilton, commanding officer of the depot, and his wife; Mr. and Mrs. Vernon L. Street of the Marion club; J. Harold Blosser, president of the Galion club, and his wife; Mr. and Mrs. John J. Stafford, and Mrs. Grover Snyder of Marion.

Mr. Stafford and Mrs. Snyder's husband organized the Cardington club 20 years ago. Henry A. Mickley, past district governor, and Mrs. Mickley of Marion also were present.

J. L. Patterson, charter member of the Cardington club, received a 20-year perfect attendance pin from Mr. Zink. Mr. Patterson also reviewed the club's activities during the last 20 years.

Col. Hamilton showed colored slides illustrating part of his Army career. He called it "Around the World in Eighteen Years."

The program was concluded with dancing to recorded music.

Police Reports

A break-in at the Texaco service station at N. Main and Council streets was reported today by Richard Herr, the operator. Police said the thief broke out a window and reached through the hole to unlock it.

Five new tires valued at $150 were stolen. Mr. Herr discovered the break-in at about 8 a.m. this morning when he went to the station to open for the day's business.

—:—

Another break-in at the concession stand under the grandstand in Lincoln Park was reported Thursday by the operator, Gerald Maynard of 288 Johnson St. Police said a piece of pipe was used to pry locks off the door. Candy and gum valued at $4 were missing.

—:—

Theft of four hub caps valued at $20 from her car was reported by Mrs. Charles Burch of 255 Uncapher Ave. at 8:30 a.m. today. She said the hub caps were taken last night while the car was parked at her residence.

Bound Over to Jury

C. F. Shumaker, 24, of Bluffton was bound over to the Marion County Grand Jury under a $500 bond from Marion Municipal Court Thursday on a fraud charge.

He is accused in an affidavit signed by a Warren R. Reece with issuing a worthless check to Mr. Reece for $25.

Youths Bound Over to Jury on Theft Charges

KENTON — Hardin and Allen County youths were bound over to the September session of the Hardin County Grand Jury on $2,500 bond each after pleading guilty here today to charges of grand larceny and breaking and entering in the night season.

The youths were identified as William Ray Neeley, 19, of near Harrod, and Orville Lee Morrison, 19, of Dola. They along with two other boys, were implicated in nine breakins during which more than $1,000 worth of merchandise was taken, Sheriff Verland Shaffer reported. He said the burglaries occurred during the last six months, all in Hardin County.

Charges were filed against the two boys by Robert Hipp of the Hi-Road Drive-in Theater north of Kenton and Roy Iams of Iams Grocery Store in McGuffey. Merchandise of highest value was taken from these businesses.

Neeley and a 15-year-old companion from near Dola were apprehended Wednesday night on charges of a traffic violation and held for investigation by the sheriff's department after stolen merchchandise was found in their car.

Morrison and another youth, a 17-year-old boy from Lima, were implicated in the burglaries by Neeley, the sheriff said.

Marion Area Auto Mishaps

Four minor traffic accidents were investigated Thursday and early today by Marion police.

A car driven by Farrell Landon, 31, of 580 N. State St. struck a utility pole in the 900 block of S. Prospect St. at 1:17 a.m. today. He told police he swerved to the right to avoid hitting an oncoming automobile.

Cars driven by C. A. Johnson, 36, of 312 Fies Ave., and W. L. Jones, 18, of 421 N. Grand Ave. were involved in an accident at W. Center and Cayuga streets at 7:21 p.m. Thursday.

A truck driven by Oliver S. Henry of the Marion Correctional Institution was struck from the rear at N. Main and Fairground streets at 2:47 p.m. Thursday by a car driven by Susan L. Arnold, 16, of Bucyrus.

A car owned by R. G. Millisor, 26, of 436½ Oak St. and parked on N. Main St., just north of W. Fairground St. was struck at 1:40 p.m. Thursday by a truck driven by Fred Desantis, 48, of Richmond Hill, N.Y.

Car Strikes Another

One no-injury traffic accident was investigated Thursday by the sheriff's office.

A car driven by Robert M. Lehner, 20, of 215 Bellevue Ave. was struck from the rear at 10 p.m. by another car driven by Dallas Waller, 19, of Columbus. Both cars were traveling south on U.S. Rt. 23 and the Lehner car was stopped for a left turn onto County Rd. 119.

Waller told sheriff's deputies he was partially blinded by the lights of oncoming cars and was not able to stop in time to avoid striking the other car. His auto continued 90 feet after the impact, knocking over a fense post and ending up in a ditch on the west side of Rt. 23.

No one was injured but there was extensive damage to both vehicles.

Defense

(Continued From Page 1)

and command structure of the military establishment. All business sessions of the three-day conference are held behind closed doors.

There is some opposition within the military services to various features of the reorganization program. The House has passed legislation to authorize streamlining measures, but some of its provisions have met with Eisenhower's objections. The bill now is before the Senate Armed Services Committee.

Secretary of Defense McElroy assigned to Deputy Secretary Donald A. Quarles and Gen. Nathan F. Twining, chairman of the Joint Chiefs of Staff, the job of keynoting the administration's reorganization program.

At a news conference Thursday, McElroy indicated still further cuts in military manpower may be expected.

38 Granted Parole At Hearings Here

Thirty-eight inmates of the Marion Correctional Institution have been granted parole releases by the Ohio Pardon and Parole Board, Lamoyne Green, superintendent reported today.

The men were briefed Thursday afternoon on changes in law pertaining to such subjects as financial responsibility and driving by Cpl. D. M. Dewalt and Cpl. R. W. Sack, commanders of the Marion and Bucyrus State Highway Patrol posts respectively.

The inmates will be released on parole Aug. 1 or, if they are to be paroled outside the state, they will leave the local prison Sept. 15.

Annual Conclave Held

Wesley Grove Installed As Commandery Head

Wesley K. Grove of Bucyrus was elected and installed as commander of Marion Commandery 36, Knights Templar at the 76th annual conclave of that body held at the Masonic temple Thursday night.

Mr. Grove, special agent for the Paul Revere and Massachusetts Protective Insurance Companies, is a past master of Bucyrus Lodge 139, F&AM; past high priest of Bucyrus chapter 160, RAM; and is currently serving as deputy master of Bucyrus Council 83, R&SM.

Elected and installed to the other stations of the Commandery were: Walter R. Larson, generalissimo; Charles L. Wiles Jr., captain general; Oscar W. Ruth, senior warden; A. Merle Burch, junior warden; Harry C. Williams, prelate; B. Harry Gast, treasurer; Harold W. Hall, recorder; DeMar W. King, standard bearer; Clyde Parthemore, sword bearer; Floyd Bear, warder; LeRoy Powelson, sentinel; and Roy H. Heiser, retiring commander, trustee for three years.

Assisting Mr. Gast, a knight of the York Cross of Honor and a past commander of the local commandery, who served as grand commander for the installation services, were: Clayton W. Brooks of Bucyrus, grand marshal; Ralph G. Williamson, grand generalissimo; Foster C. Miller, grand captain general; George O. Lockwood, grand treasurer; Warren G. Cyders, grand recorder; Norris D. Hill, grand prelate; and Mr. Heiser, grand senior warden.

The following appointments were announced by Mr. Grove following his installation: guards, Richard Lukens, Willis C. Moler, Aldeen McDougal; hermits, Charles O'Dowd, Watson Morecraft, James Harty; sovereign master for the conferring of the order of red cross, Stanley L. Dinkle; eminent prior for the conferring of the order of malta, Ralph G. Williamson; lights and stage, William R. Richardson, Fred Alwood, Willis Moler; organist, James Morrison; commander's representatives, Lawren Lentz, Mount Gilead; Grover M. Gatton, Delaware; Cleo Grossman, Upper Sandusky; Clayton W. Brooks, Bucyrus.

WESLEY GROVE
Bucyrus Man Heads Masonic Body

Also appointed by Mr. Grove were the following committees: auditing, J. Y. Apt, Mr. Cyders, A. Merle Burch; patriotic, Mr. Cyders, Calvin H. Topliff, Mr. King; registration, George O. Lockwood, Esla N. Veley, Foster C. Miller; grand commandery conclave, Mr. Larson, Mr. Wiles, Mr. Ruth; Christmas observance, Mr. Wiles, Mr. Hall, Robert F. Williams; Easter observance, Harry C. Williams, Mr. Ruth. Mr. Hall; Ascension Day service, Mr. Larson, Mr. Wiles, Mr. Ruth.

On behalf of the members of the local commandery, Mr. Hall presented to Mr. Heiser a past commander's jewel. Other presentations made during the evening were merit jewels to Sir Knights Arthur A. Craven, William Brown, Richard Lukens, for one year attendance; Floyd Bear and John Reamsnyder, two years; Willis C. Moler, three years, and Aldeen McDougal, four years.

Plans were discussed regarding the members of this body attending the triennial conclave to be held in Indianapolis on Aug. 16.

The meeting concluded the activities of the Commandery for the current season, and work will be resumed at the stated conclave scheduled for Thursday, Sept. 18.

Work of Army Reserve Signal Battalion Receives Praise Here

Praise for the activities and achievements of Co. "C", 307th Signal Battalion, U.S. Army Reserve unit here, was expressed Thursday afternoon by Mayor Wendell L. Strong.

The commendation came following a report to him and Safety-Service Director Howard W. Travis by Capt. Charles A. Bowen, commanding officer of the unit.

He noted that the unit first was established here in 1950 with 25 enlisted men and two officers. By 1957, however, lack of training facilities threatened to force abandonment of the program.

Officials of the General Telephone Co. of Ohio heard of the organization's plight and offered its facilities for training purposes, Capt. Bowen said.

Encouraged by this show of interest, the Army decided to continue the unit and it now has grown to 100 enlisted men and three officers and has obtained the former Marion Tractor Sales Building at the junction of Rt. 4 and Rt. 23 north of the city for a training center, Capt. Bowen reported. The training center is being shared with 418th Ordinance Battalion which has its headquarters here, he said.

Capt. Bowen said that the location of the signal corps unit here is beneficial to the community in a number of ways. Among them is the fact that any young man with military service obligations can join the reserve unit and fulfill his obligation here in Marion with little inconvenience to himself or his family.

Another benefit is that the payroll of the enlisted men and officers in the unit amounts to $60,000 a year which finds its way into the local economy, he said. Most members of the unit are from Marion and Marion County but there are some from Bucyrus, Upper Sandusky and Mansfield, he said.

The unit now is expanding and has openings for enlisted men and officers, he said.

Mayor Strong said, "I am well pleased with what is being accomplished by the unit" and offered the services of the city administration to aid the unit in any way possible.

Capt. Bowen also said that an open house of the new training center is being planned for later this year so that Marion area residents may observe the activities of the unit.

Bob Crosby's Son, Companion Picked Up After Auto Prank

LOS ANGELES (AP)—Orchestra leader Bob Crosby's son Christopher, 15, and a companion were arrested early today. Police said they had pushed a sports car out of a Bel-Air driveway.

Young Crosby and Jeffrey Davidson, 16, were booked at the West Los Angeles police station on suspicion of "temporarily depriving the owner of a vehicle (joyriding)."

"Christopher said he didn't know why they did it, that it was a crazy idea and they just wanted to try it out," Officer W. R. Maxwell reported.

Young Crosby was released to his mother, Mrs. June Crosby, and Davidson to his parents, Mr. and Mrs. Raymond Davidson, West Los Angeles.

The youths said they were cruising in the fashionable Bel-Air district in a convertible owned by Christopher's father. They spotted a 1958 Corvette parked in a driveway.

Peter Heisser, owner of the sports car, called police. He told them he had heard a noise, looked out of his house and saw two youths pushing the car out backward of his driveway. He said he ran outside, yelling, and the boys fled on foot. The elder Crosby's car was parked across the street.

Maxwell said he and Officer W. F. Dacey spotted young Crosby behind a bush at a nearby corner. En route to the station with Christopher, the officers picked up young Davidson, hitchhiking on Sunset Boulevard.

he sought special treatment for the Bostonian.

Bennett spoke in an interview as the Pentagon disclosed that more than 2¼ million dollars worth of textile contracts have been awarded to Goldfine's companies since the Eisenhower administration took over in January 1953. The Pentagon supplied the figures on request, with no implication of influence or wrongdoing.

Launching of Vanguard Hit by New Difficulties

CAPE CANAVERAL, Fla. (AP) —An attempt to launch a Vanguard satellite rocket was "scrubbed" at 4:30 a. m. EST because of technical difficulties.

A firing of a basketball-sized satellite originally was set for 9:30 p.m. Thursday. For several hours, the slender rocket sat outside its service tower, bathed in lights.

Sewer Vote

(Continued From Page 1)

"And the most immediate possibility of sewer expansion that will provide additional income to the city sewer fund is in the southeast area," he said.

He noted that no matter how much sewer work is done in the city, there can be no additional income derived from properties inside the city unless sewer revenue rates are increased.

Mr. Osterholt pointed out that estimates are that by 1980 the population of the southeast suburban area will increase by 9,800 persons. This will provide a potential income to the city of $296,000 from the $100 tapping fee proposed to be levied against each suburban property that is hooked into a sewer emptying into the city sewer system, he said. (The tapping fee is provided in the vetoed legislation for the contract between the city and Sewer District 1.)

In addition to the tapping fee, the city will collect (under present rates) a minimum of $34 a year in service charges from each residence or commercial establishment hooked into District 1 sewers, he said.

The presently planned 119 taps from the new shopping center and two housing developments in District 1 will provide additional income of $114,000 to the city over a period of 20 years, he said. (None of these taps will be required to pay the $100 tapping fee under terms of the proposed contract between the sewer district and the city.)

Because of the large potential income the city may obtain, Mr. Osterholt said he feels the southeast sewer extension project will prove highly beneficial to the city in the future.

The only councilman who definitely plans to vote not to override the vetoes is Lowell Doyle (R-3rd). This will mark a change of his vote, since Mr. Doyle voted for the legislation when it originally was acted on by council.

Mr. Doyle said that he objects to using existing sewer bond money for extensions to serve outlying areas when "a lot of basements in the city have water in them." He said he feels council should take care of problems inside the city first.

But he also said he would be glad to go along with the southeast sewer project if some source of funds other than the existing bond issue could be found to finance it, or if, after all other Phase 1 projects are completed, a balance still remained from the bond issue.

The two councilmen who were undecided as to how they will vote were: John Williams (D-2nd) and Ralph Williams (R-4th). Both also voted for the legislation when it was considered by council May 26.

John Williams said he is undecided because he has received a lot of telephone calls from persons in his ward who fear the use of the money for the extension of the Forest Lawn Dr. sewer will block the Silver St. project. He said he voted for the legislation before because the proponents had a majority.

Ralph Williams reported he also has received a number of telephone calls and personal contacts from persons opposing the legislation. He said some have even threatened him with an "injunction and impeachment" if he votes for the legislation over the veto. He said also that all those who have complained to him are not residents of his Fourth Ward. Most are persons living in other wards and many are residents of the Second Ward, he said.

But because of the objections he has heard, he said he was undecided how to vote and planned to "listen to developments" until Monday night.

Children Scalded By Boiling Water

Three children of Mr. and Mrs. Fred Holt of 327 Glad St. were taken to Marion General Hospital Thursday morning to be treated for scalds from boiling water.

Admitted to the hospital soon after being burned by the water at 10:30 were Nettie Mason, 15, a daughter by a previous marriage, and Ruth Darlene Holt, 17 months. Douglas Lee Holt, 3, was treated and released.

Mrs. Holt said that the water evidentally spilled when Nettie tried to pour water, which had just been heated on the stove, into the washing machine while her mother was out of the room.

When the hot water struck her, Nettie dropped the teakettle spilling water on two of the other nine youngsters in the Holt family.

Nettie was reported in fair condition at the hospital this morning. Ruth Darlene was in fairly good condition.

Upper Sandusky Dance Program Attracts 600

UPPER SANDUSKY — A two-hour dance recital presented by students of the Martha Douce Dance Studio in Marion filled St. Peter's School here to capacity Thursday night with more than 600 persons attending.

Participants were mainly youngsters who have taken lessons at the Martha Douce Studio here. Also appearing on the program were Marilyn and LuAnn Maniaci, daughters of Mr. and Mrs. Joseph Maniaci, managers of the studios. Mr. and Mrs. Maniaci were featured in a tango dance routine.

Mrs. Maniaci (Martha Douce) said today that the Upper Sandusky studio will not be open during the summer months and lessons will be given in Marion.

Morrow Jury Grants $10,337 In Land Action

MOUNT GILEAD — A Common Pleas jury return a $10,337 verdict for Gale Mabery and others this week in the sixth in a series of land actions filed by the state against Morrow County residents along the proposed north-south freeway.

The amount was approximately $2,500 more than the state's original offer. The jury award included: $937 for property taken, $4,000 for a structure on property taken and $5,400 in damages. The State originally offered Mr. Mabery $7,758.

The $4,000 for the building will go to the Chester-Franklin Board of Education which owns the building on the Mabery farm. The building is the old "Wildcat" school. It hasn't been used for school purposes for some 20 years although it has served as a polling place for Harmony Township voters for a number of years.

Approximately .83 of an acre of land was appropriated for the new freeway. The right of way taken extends a foot into the Mabery front porch.

Of a total of 34 appropriation actions filed, 22 have been settled out of court. Verdicts were for the defendants in five cases and for the state in one action.

Guy W. Sarvis Dies in Crash Near Fremont

DELAWARE — Guy W. Sarvis, 79, professor emeritus of sociology at Ohio Wesleyan University, was killed Wednesday when his car was struck by a tractor-trailer rig west of Fremont at the intersection of Routes 6 and 199.

His wife, Pearl, was reported in serious condition in Fremont's Memorial Hospital.

Mr. and Mrs. Sarvis had visited friends here and left Wednesday morning for Michigan. They had resided in Orlando, Fla., for the last eight years and were planning to move to California next winter.

In addition to his wife, Mr. Sarvis is survived by two daughters, Mrs. Betty Luse of St. Petersburg, Fla., and Dr. Mary Alice Sarvis of Berkeley, Calif; two sons, Dais of Berkely and Taylor of Oakland, Calif., and nine grandchildren.

Funeral services were incomplete pending arrival of the family.

Mr. Sarvis retired in 1949 after 14 years on Ohio Wesleyan's faculty. He received his B.A. degree in 1908 from Drake University and his master's degree in 1910 from the University of Chicago. He administered the relief program in north China during 1920 for the International Famine Relief Commission.

From 1927 to 1934 he taught in several universities and colleges in this country.

Two Hurt as Car And Truck Crash West of Chatfield

BUCYRUS — Two persons were injured in the single accident reported today by state patrolmen of the Bucyrus post. It occurred on Rt. 103 two and one-half miles west of Chatfield at 7:50 a.m. Thursday.

Investigating officers said two vehicles collided when an auto driven by Charles G. Harrer, 68, of near Chatfield backed out of a driveway into the path of an oncoming stock truck transporting 60 hogs.

Driver of the truck was identified as Donald Brause, 33, of near Sycamore. The truck was only slightly damaged while considerable damage was done to the car, officers said.

Injured were: Harrer, abrasions of the forehead and bruises of the elbow, and a passenger in the Brause truck, Clarence A. Brause, 64, of near Chatfield, bruises of the right shoulder. Harrer was treated at Bucyrus Community Hospital.

Charged with failure to yield the right of way, Harrer was cited to appear before Mayor J. L. Sullivan of Bucyrus. The hogs were not injured, patrolmen said.

Dime Sells for $3,200

NEW YORK (AP)—A dime was sold for $3,200 at a coin company auction Thursday night.

An anonymous collector won the bidding for the coin—one of 24 minted in San Francisco in 1894.

Six of them previously were in the hands of collectors. Seventeen are missing.

Deaths and Funerals

Mrs. Emmett Caylor

Mrs. Lulu Caylor, 77, of 653 Leader St. died Thursday morning at 11 at a rest home at 136 N. Seffner Ave. She had been in failing health for more than a year.

Born near Attica on Jan. 18, 1881, she was the daughter of Mr. and Mrs. John Patterson, both deceased. On Dec. 23, 1911, she married Emmett E. Caylor in Monroe, Mich. He died in Marion May 3, 1950.

Surviving Mrs. Caylor are a daughter, Mrs. Rowena Caylor Keck, and grandson, Ronald Lee Keck, both of near Ashley, and a brother, John Patterson of Bucyrus.

Services will be conducted Saturday at 4 p.m. in the M. H. Gunder Sons funeral home on W. Center St. by the Rev. M. E. Hollensan, pastor of Emanuel Lutheran Church. Burial will be in Chapel Heights Memory Gardens. Friends may call at the funeral home any time.

Mrs. James McNeff

Mrs. Cecelia McNeff, 84, of LaRue died at San Antonio Hospital in Kenton today at 2 a.m. following complications from a broken hip. She had been hospitalized six weeks.

Born Jan. 15, 1874 in Paulding County, she was the daughter of Peter Brady and Teresa Lothamer Brady. Her husband, James McNeff, preceded her in death. The couple was married April 20, 1897.

A member of St. Joseph Catholic Church in LaRue, she was affiliated with the D.C.C.W. of the church and also held membership in the Twentieth Century Club at LaRue for 55 years.

Mrs. McNeff had lived 61 years in this vicinity. No immediate relatives survive. Several nieces and nephews reside in the LaRue area.

Funeral services will be Tuesday at 10 a.m. in St. Joseph Church with the Rev. Raymond Carter officiating. Friends may call at the Ford Funeral Home after 1 p.m. Saturday. Burial will be held in Payne, O.

Rosary will be recited at 8 p.m. Saturday at the funeral home.

Mrs. Buell Wheeler

BUCYRUS — Mrs. Ollie Wheeler, 40, of Bucyrus died at 8:15 p.m. Thursday in Marion General Hospital. Death was due to leukemia. She had been in failing health for six months.

Born July 10, 1917, in Columbia, Ky., she was a daughter of Pete and Eliza Burton Bryant. She was married Dec. 3, 1933, to Buell Wheeler.

Surviving with her husband are four daughters, Mrs. Jack Frizzell, Mrs. Garry Frizzell, Mrs. James Ludwig and Miss Peggy Lee Wheeler, all of Bucyrus; three sons, Joseph, Robert and Danny, all of Bucyrus; five grandchildren; four brothers, Drury of Columbia, Ky., Robert of Bucyrus, Cooper and S. F. Bryant of Columbus, Ind., and two sisters, Mrs. James Denton of Bucyrus and Mrs. Pearl Cowans of Camelsville, Ky.

Mr. and Mrs. Wheeler came to Bucyrus 13 years ago from Columbia. She was a member of the Free Will Baptist Church here.

Services will be held Saturday at 3 p.m. in the Wise Funeral Home with the Rev. Delmar Daniels officiating. Burial will be in Oakwood Cemetery. Friends may call at the funeral home tonight.

Mrs. Louis Johnson

GALION — Mrs. Elizabeth Johnson, 54, of Harding Way East died in her home at 9 a.m. Thursday following an illness of two years.

She was born in Morrow County March 8, 1904, a daughter of Hugh and Martha McKibben McAnall. She is survived by her husband, Louis, of Galion; two brothers, John of Galion and Oscar of Gahanna, and a sister, Mrs. Blanche Nunemaker of Athens.

Mrs. Johnson was a member of the Presbyterian Church here.

Funeral services will be held at the Craven Funeral Home in Mount Gilead at 2 p.m. Saturday. The Rev. Arthur Guy, pastor of the Mount Gilead Presbyterian Church, will officiate. Burial will be in Rivercliff Cemetery at Mount Gilead.

Funeral Services

Carl C. Vermillion — Saturday 3 p.m., Schaffner-Denzer Funeral Home, the Rev. Clyde Wendell officating, burial in Chapel Heights Memory Gardens. Friends may call at the funeral home.

Ernest P. Welsh — Saturday 10:30, M. H. Gunder Funeral Home, the Rev. John H. Hersman, burial in Chapel Heights Memory Gardens. Friends may call at the funeral home.

Mrs. Edward H. Moon — Saturday 10 a.m., Hughes-Hyll Mortuary, the Rev. M. E. Hollensen, burial in Marion Cemetery. Friends may call at the funeral home.

Frank W. Burkey — Saturday 2 p.m., Hughes-Hyll Mortuary, the Rev. Robert Williman, burial in Chapel Heights Memory Gardens. Friends may call at the funeral home.

Mrs. Glenn C. Jeffers — Saturday 2 p.m., Mackey Funeral Home in Mount Victory, the Rev. James Maxwell officiating, burial in Hale Cemetery there. Friends may call at the funeral home.

Lester E. Williams — Saturday, Sullivan Funeral Home in Royal Oak, Mich.

Spent $15 in Campaign

Campaign expenses totaling $15 were listed on a statement filed with the Marion County Board of Elections Thursday by William A. Hobson of 235 S. High St. Mr. Hobson, an unsuccessful candidate for the Democratic nomination for county commissioner in the May primary, listed no contributions. Officials at the board said all candidates now have filed expense statements. Deadline for filing was 4 p.m. today.

School Board At Morrow To Hire Architect

MOUNT GILEAD—The Morrow County Board of Education says it expects to hire an architect within the next several weeks in an effort to solve a building problem.

The board has held three special meetings during the last week interviewing architects. The board is faced with deciding to either build an addition to the present high school or construct a new building.

In other action, the board accepted the resignation of Dale Sisley as driver training and health and physical education instructor. He was assistant coach in football and basketball and was head baseball coach. He is joining the Naval Air Corps.

The board approved the purchase of a power lawn mower and authorized Ed Burroughs to put a new roof on the high school building at a cost of $1,582.

A new calendar was adopted for the next school year. Classes will begin on Wednesday instead of on Tuesday after Labor Day.

Moving of the superintendent's office from the grade school building to the farm shop building was authorized. The move will permit the use of the office as an elementary classroom. Shelving, lockers, desks and glassboards will be installed.

Three vacancies now exist in the Mount Gilead system. Commercial, drivers training and coach posts are open.

Spark Plugs Stolen

Theft of six boxes of spark plugs from the Porterfield Service Station in Waldo was reported to sheriff's deputies at 9:45 p.m. Thursday. Deputies said the boxes contained a total of 45 spark plugs valued at $45.

Leaves for Moscow

TOKYO (AP)—Hisako Nagata, 21, a survivor of the American atom bombing of Nagasaki in 1945, left for Moscow today for a year's free medical treatment she hopes may remove her scars and restore her voice.

Russians Prepared
Network of Atom Bomb Shelters Rings Moscow

VICTOR RIESEL

Some of the steps of Russia have been replaced by the world's swiftest escalators. These moving stairs can rush hundreds of thousands of Moscow's citizens deep into the ground under the Soviet capital.

In peacetime this underground is the sparsely used subway loop circling the Socialist city like the rim of a wheel, with spoke-like spurs running into a center hub.

But the Russians did not build for peacetime — they dug an intricate network of huge stations which open on a virtually unknown system of rooms, control posts, underground factories and military depots making up the most effective and vastest atomic and H-bomb shelters in the world.

Our intelligence services as well as a small congressional group led by Rep. Chet Holifield, which went to Moscow not too long ago, have reported all this. Yet there is not a single public shelter in the U.S., nor have we appropriated a penny even to scratch our good earth anywhere for such construction.

-:-

THIS IS NOT the old underground paradise of frequent murals and infrequent trains. This subway system was built after the war by hundreds of thousands of German slave laborers.

Our Central Intelligence Agency people have reported on it every shovelful of the way.

Most of the husky captive Germans the Russians first used for this underground were later part of the Pharoah-like slave contingent of a million which built the new Siberian industrial and scientific cities.

Rep. Holifield's group reported that the loading platform spaces alongside the tracks were upward of 1,000 feet long and 80 feet wide.

When the congressional group went down into the "subways" they noted that there were heavy doors opening off these wide loading platform "halls." Requests for inspection of the rooms into which these doors led were curtly rejected.

This congressional group was part of a House committee which has been studying the problem of protecting America from radioactive fallout as well as the actual bomb blasts themselves.

-:-

WHAT IMPRESSED our people was the depth of the Soviet "subways." They are 130 feet deep. After months of study and testing, our military and civilian experts believe you can build safe shelters under merely 18 inches of concrete. At least that's what tests at the Nevada proving grounds showed.

Our people, in their travels around Moscow and on the road to the airport and from their plane, saw other signs of an underground system. This included what the congressmen believe are subterranean factories as evidenced by skifully ventilated mounds which appear in a regular pattern throughout the Muscovite metropolitan area.

The belief is that there are other such undergrounds in other Russian cities — obviously built at a terrific cost. All this was brought to mind last Thursday morning when the Soviets announced they are going to train their entire adult civilian population in how to seek quick cover if the rain of bombs come.

However, the cost of living through an enemy bomb attack is bound to be higher in our free economy than in the Socialist push button slave state. But not so high that we can afford to ignore the warning implied in the Russians' own drive for underground safety.

-:-

AFTER TWO YEARS of hearings, the subcommittee on Military Operations of the House Committee on Government Operations reckons it would cost 30 billion dollars — six billion a year for the next five years — to protect our people.

Certainly this is high. But few of the dollars would be wasted, even if we look at this cynically. Most of the billions would be spent on labor and material, leaders of the construction trades unions told this column.

There would be great need for all metals — concrete, electronics, trucks, glass — in fact the products of all the industries which need bolstering today.

Tens of thousands of construction workers and thousands more in the auto and steel and mining fields would be re-employed. For digging these shelters is simply a mass construction job, similar to that which precedes the mushrooming of any skyscraper, albeit on a giant scale this time.

But we haven't done a thing to match the Russian underground.

Son Succeeds Father as Chef for Hotel Harding

Leon Bomas, Head Man In Kitchen for 35 Years, Retires

After 35 years as chef at Hotel Harding—since the day the building opened its door in 1924—Leon Bomas has stepped down to let his son, Steven, reign as king of the kitchen.

Young Steve, who his father claims was born with "a frying pan in his pocket," has been at his father's heels in the hotel kitchen since he was old enough to walk. And now he is making his father's dream of some day taking his place a reality.

Steve's first official job in the kitchen was washing pots and pans for five hours back in junior high school. From there he worked his way through all the departments in the kitchen before he earned the right to help his dad.

—:—

HE HAD NO objection to starting at the bottom, however. Like his father, he feels a good chef should know everything about his kitchen, as well as the food he's preparing.

Upon turning over his chef's hat and jacket to his son a few days ago, Mr. Bomas had these words of advice to offer: "Try to come close to perfection. The hardest thing is the simplest thing to make."

Steve tackles his new job with more than 10 years of experience in the Harding kitchen and a determination to keep up the dining room's reputation for good food.

The retiring chef, who terms the Harding kitchen his "country club" and the embodiment of all his other interests but family, plans to sail July 4 with his wife on a three-month trip abroad.

The journey will be highlighted with a visit to his native Greece which he left in 1906 to come to this country.

After arrival here in 1906 he worked in hotels along the eastern seaboard, learning cooking from the simplest to the most elaborate dish. "The first chef I ever saw was a king to me," Mr. Bomas explained.

—:—

FROM THE DAY he put on his chef's hat in the Harding kitchen, the elder Mr. Bomas made for himself one rule: "Everything I cook is special. No dish gets more attention than another."

Both Virgil Dye, hotel manager, and Steve agree that the hotel's doors will remain open to Harding's first chef, even though he is retiring.

He leaves his son only one guide, a book of recipes and cooking hints he himself has collected over the years. The rest, he says, Steve has mastered.

In addition to working under his father, the new chef has had experience as a cook in the service during World War II. He attended Ohio State University and is a 1944 graduate of Harding High School.

A third generation of chefs may well be on the way. Steve hopes his 10-week-old son will grow up with the hotel kitchen his second home, just as he has done. Mr. Bomas shares the same hope.

Steve is married and the father of a daughter, as well as the infant son. The family resides at 319 S. Main St.

His father, who married a girl from New York City shortly after coming here, built a house during the depression in which he and his wife still reside at 595 Cherry St.

A second son, William, has helped to establish a family tradition in the foods line. He is a food buyer for the Deshler-Hilton Hotel in Columbus.

HARDING HOTEL'S NEW CHEF gets pointers from his father, Leon Bomas (right), who demonstrates how to cut through this red snapper. Steven Bomas took over his father's position this week after the elder chef served the hotel 35 years. He has been king of the kitchen since the hotel opened in 1924. The new chef has been working under Mr. Bomas here for more than 10 years in anticipation of someday following in his father's footsteps.

U.S. Appeals Court Ruling Awaited on Connelly, Caudle

ST. LOUIS (AP)—Chief Judge Archibald K. Gardner of the U.S. Court of Appeals expects to rule by Saturday morning on an eleventh-hour bid by two former Truman administration officials to escape going to prison.

Matthew J. Connelly and T. Lamar Caudle are scheduled to surrender here Saturday to begin serving two-year prison terms for conspiring to defraud the government in an income tax case.

Connelly, who was Truman's appointments secretary, and Caudle former head of the Justice Department's tax division, have asked a stay of execution of their sentences until U. S. District Court disposal of their request for a new trial. They asked a second trial on grounds of new evidence.

TURKISH NAVY AIDED

The active Navy Fleet of Turkey today consists of eight destroyers, eight escort vessels, seven submarines, seven minelayers, two minesweepers, four tankers, two tender ships and many auxiliary craft. U.S. Military aid has improved their armament.

Grade-a-Year Desegregation Plan Approved for Nashville

NASHVILLE, Tenn. (AP)—U.S. Dist. Judge William E. Miller has approved a plan to desegregate Nashville's city school system on a grade-a-year basis. He said the gradual plan would be in the best interest of all concerned.

Miller gave his ruling Thursday on the city school's plan that the second grade will mix the races next fall, the third grade the following fall, and so on through the 12th grade.

The first grade was desegregated last fall amid sporadic violence, and 11 Negro pupils remained enrolled in five previously all-white schools throughout the school years.

Nashville thus becomes the third city in Tennessee to begin school desegregation since the U.S. Supreme Court held in 1954 that compulsory racial segregation violated the 14th Amendment to the Constitution.

The federally financed high school and one junior high school at the atomic city of Oak Ridge were integrated in 1955, and the high school at Clinton admitted Negroes the next year—also amid violence. Both schools are in Anderson County and both remain desegregated.

Bob Lemon Downcast After Cuffing From Yanks

Tribe Veteran, Gary Bell Bombed in 9-3 Reversal

CLEVELAND (AP)—Bob Lemon's performance against the New York Yankees Thursday was a disappointment for fans who had seen the veteran pitcher in his prime.

But no one was more disappointed than the 37-year-old right-hander. He was rapped for 12 hits, including three home runs, in a six-inning relief stint as the Yankees trounced the Cleveland Indians 9-3 to sweep their three-game series.

Appears Ready To Quit

Lemon, trying to regain his pitching skill following an off-season elbow operation, appeared on the verge of calling it quits as he sat in the dressing room long after the fans had left Municipal Stadium.

"I thought breaking in was tough, but it wasn't anything like this," he told newsmen. "This sunset of a career, as you guys call it, really is rough."

Asked about his future plans for Lemon, a seven-season 20 - game winner, Manager Bobby Bragan said the veteran hurler would be in the dugout the next few days and not be sent to the bullpen.

"We can use his bat," the manager explained. "It helped us get a run today."

The Yankees held a 3 - 0 lead when Lemon relieved young Gary Bell, the starter and loser. Lemon gave up six more runs on 12 hits and six walks.

Kucks in Control

The Indians scored a run in the third inning on a walk to Billy Moran, a pinch single by Lemon and an infield out by Minnie Minoso. Johnny Kucks then held the Tribe scoreless until the ninth, when Rocky Colavito hit his 11th homer of the season over the fence in right-center field with one on. The Tribe got eight hits in all.

The Yankees were retired in order in only the first inning and scored at least one run in every inning but the first, third and sixth. They got a total of 17 hits, including five home runs—two by Andy Carey and one each by Enos Slaughter, Elston Howard and Hank Bauer.

The Tribe opens a four - game series with the Washington Senators at the stadium tonight. Right-hander Cal McLish (3 - 3) will start for the Indians. He will be opposed by southpaw Chuck Stobbs (2-5).

ALL FOR NAUGHT. Cleveland was still "in the game" in the third inning here as Tribe second baseman Billy Moran slides safely into third on Bob Lemon's single. Yankee third sacker Andy Carey had to go off the bag to pull down Hank Bauer's throw. Moran might well have saved the effort as the Bombers went on to sweep their three-game series with the Indians by taking a 9-3 victory. A total of 17 hits and five home runs was amassed by New York in pulverizing Cleveland. (UPI Telephoto)

Jockey Killed When Mount Runs Into Rail

INGLEWOOD, Calif. (AP) — A spectacular spill in a stakes race at Hollywood Park Thursday brought a violent end to Jackie Westrope's 25-year riding career.

He passed the pack on the outside and was ahead, 70 yards from the wire, when his mount bolted into the rail. Westrope was thrown.

Former National Champ

The 40-year-old former national riding champion hit the rail so hard, a track official said, he bent almost double—backward—around it.

He died less than two hours later, despite plasma and oxygen.

Westrope began big-time racing at 15 and in that year—1933—rode 301 winners to become national champion. In ensuing years he had 2,439 winners from 17,136 mounts. In money winnings he ranked 10th nationally with a total of $8,944,002.

Doctors said he suffered severe internal injuries and fractures of the shoulder, arm, elbow and ribs. An autopsy will be performed.

No inquiry is planned at the track. "The only one at fault was the horse," said a Hollywood Park official.

Occurs Near End

His mount, a 3-year-old filly named Well Away, began lugging in toward the rail near the end of the $28,350 Hollywood Oaks, a mile and an eighth feature event.

In his quarter-century of riding Westrope booted many a famous horse to victory in big stakes races.

Among his wins were the 1938 Santa Anita Derby, on Stagehand; the 1939 San Juan Capistrano at Santa Anita, aboard Cravat; the 1954 Jersey Stakes, with War of Roses.

Flywheels Name Seckel, Theken to Timers Club

The Marion Flywheels met Thursday in the club garage, with Jack Kellogg, Tom Hudgins and Dick Worden present as visitors. A report of an auto show at Fostoria was made, at which Harold Seckel won a trophy in the finished street coupe class.

The group elected Seckel as a two-year representative, and Herb Theken for one year to the Marion Area Timing Association. Plans were made for a scrap drive sometime this summer and it was announced that Seckel would take his car to the Lima Auto Show June 27, 28 and 29. The event will be open to the public each day from 7 to 11 p.m.

Chisox Unable To Cut Deficit, Stalled in 7th

By The Associated Press

Okay, so Al Lopez has made his point. Those winter trades that peddled power for pitching have helped give his Chicago White Sox four shutouts in five games. But they're still seventh in the American League race, 11½ games behind.

Jim Wilson, Dick Donovan and Billy Pierce, three old hands, pitched consecutive shutouts, and after taking a five-home run pounding from Boston Wednesday, the White Sox beat the Red Sox 4-0 Thursday on the two-hit pitching of Early Wynn.

Scores Two-Hitter

The veteran right-hander, acquired from Cleveland, now has a pair of two-hitters for the season, and owns half of the six shutouts bagged by the Chicago staff. Thursday's showpiece, in which he faced but 30 men and didn't give up a hit after the sixth, was his 36th major league shutout and his 10th two-hitter in the big time.

Yet the White Sox didn't gain an inch on the first place New York Yankees, who rapped five homers and beat Cleveland 9-3 for a three-game sweep that left 'em nine games ahead of second place Boston. Washington junked its slump at five games, and ended Detroit's winning string at five, with a 4-3 decision. Baltimore jumped into fifth with a 4-2 victory at Kansas City.

Wynn, now 7-5, walked but two and struck out eight. He leads active major leaguers with 1,705 strikeouts in his 18-year career. He gave up a second-inning single by Frank Malzone and a sixth inning single by loser Frank Sullivan (4-2). Wynn fanned Ted Williams for the last out.

Gene Woodling Connects

The Orioles, in last place before sweeping three at Kansas City, took it on Gene Woodling's two-run homer in the eighth off Ned Garver, who has lost three in a row. Ken Lehman won it in relief for the Birds, now just a half-game out of third and two shy of second.

Li'l Albie Pearson doubled home a tie-breaking run in a two-run seventh for the Senators, then tripled home the winner in the ninth. Dick Hyde saved Russ Kemmerer's fourth victory, putting down the Tigers after they scored two unearned runs in the ninth. Paul Foytack (5-7) dropped his third straight.

Hurls Two-Hit Shutout

Wynn Flashes Old Form, Hoping for 4 More Years

CHICAGO (AP) — The Chicago White Sox' Early Wynn, at 38 shooting for his fifth 20-game season, figured today if he slows down "just a little at a time," he may pitch three or four more big league years.

The way Wynn handcuffed the Boston Red Sox Thursday with a two-hit 4-0 shutout — his third of the season and 36th of his 18-season career—old Father Time may blunt his scythe on evergreen Early.

Wynn now has a 7-5 record this year and seems to be getting better with every outing. Last season, with the Cleveland Indians, Early had his troubles with a wobbly club and finished with 14-17, the first time he won fewer than 17 games since an 11-7 mark with the Tribe in 1949.

"I'm tired now after a tough game," said Wynn as he slouched half undressed in the clubhouse long after he finished taming the Red Sox. "I'm in good shape, but the years count against you.

"I'd like to win 20, naturally, but it seems to me one season I had 11 wins by the All-Star game break and didn't hit 20.

"As for how much longer I can be an active pitcher, that depends on how fast I slow down. If I slow down just a little at a time, maybe I'll be good for three or four more years."

Ohio Derby Event Draws Field of 14

CLEVELAND (AP)—There are 14 possible starters in Saturday's $27,500 added Ohio Derby, and it may take until post time to determine the true favorite among the 3-year-olds running the mile and one - eighth event at Thistledown.

Plion, a brown colt owned by E. J. Potter and winner of the historic Blue Grass Stakes at Keeneland two months ago, has been assigned top weight of 122 pounds. Ridden by Tony Despirito, the son of Greek Ship and Tree Fly will rate an edge if the track is heavy.

Talent Show, which has won $52,832 so far this year, currently is the bettors' favorite at 2-1. He ran second to Lincoln Road in the Jersey Stakes and will carry 118 pounds to Plion's 122. Charlie Burr will ride Talent Show.

Cubs Stretch Spahn's Skid To 3 in Row

By The Associated Press

First Stan Musial. Then Willie Mays. Now it's Warren Spahn, Milwaukee's standout southpaw, who has been hit by the slump epidemic sweeping the National League.

Spahnie, one of the all-time great left-handers, was off on a streak in pursuit of his ninth season of 20 or more victories. He was the first to win eight, May 31. He hasn't won since.

He lost his third in a row Thursday night, again beaten by a gopher ball, as the Chicago Cubs hammered four home runs for a 5-4 decision that held the Braves' first-place edge to two games. Rookie Tony Taylor's first major league homer was the clincher in the ninth.

Gives 11 Homers

It was the 11th homer given up by Spahn in the three-game slump, nine of 'em by the Cubs—who started his skid with five home runs in a 9-6 decision June 10.

Second place San Francisco — with Mays sent to a New York hospital for a check-up—was beaten 6-5 at Pittsburgh. Philadelphia rapped Los Angeles 9-3. Cincinnati and St. Louis were idled by rain.

Spahn now 8-4 has given up 18 home runs this season, 14 of them in the games he lost. He allowed only 23 homers all last year.

Walt Moryn, who now has hit 5, counted a pair off Spahn last night and Al Dark got the other. But it was Taylor who was in Spahn's hair. He stole home for a 1-0 lead in the first inning, then cracked a 4-4 tie with his homer that chased Spahn with one out in the ninth.

Spahn, whose single was the only hit off Cub starter John Briggs for three innings, made his 20th career home run, first of the year, good for two runs as the Braves took a 3-2 lead in the fourth. Right-hander Glen Hobbie, third Cub pitcher, squared his record at 5-5, blanking the Braves on three hits in his four innings.

Semproch Wins 8th

Right-hander Ray Semproch won his eighth for the Phils and had a no-hitter for 6 1-3 innings. He had a three-hit shutout until the ninth, when Joe Pignatano, who hit his first major league homer Wednesday, socked No. 2 and Duke Snider belted his fifth. Stan Lopata hit a three-run homer in the first and the Phils then scored five in the third with six consecutive hits off starter-loser Johnny Podres (7-5) and Dor Drysdale.

(Turn to SPAHN, Page 16)

Green Camp Nine Plays

Wilson Auctioneers will play Forest Saturday night at Lincoln Park in a Mid-Ohio League baseball encounter. Game time is 8 p.m. Sharrel Leffler, Ken Ellwood or Ed Smeltzer is expected to start on the mound for the Green Camp team. The Auctioneers have a 2-1 record in league play.

Snead Trails by 9

Bolt Moves Ahead In Flint Golf Event

FLINT, Mich. (AP) — A new attitude, a new driver and some malt tablets "to keep me from getting so doggone hungry" had Tommy Bolt in front of the pack that entered the second round of the $52,000 Flint Open Golf Tournament today.

While the newly crowned U.S. Open champion stroked into the lead in one of the richest tournaments on the circuit, the game's biggest drawing card was in danger of failing to survive the 36-hole cut for the second straight week.

Snead Six Over Par

Sam Snead, one of the pre-tournament favorites despite the fact he failed to qualify for the final 36 holes of last week's U.S. Open, had a six-over-par 78 that left him nine strokes off the pace.

Bolt's three-under-par 69, fashioned mainly from a blazing putter that counted seven one-putt greens, pooh-poohed the so-called letdown that has plagued such golfers as Carey Middlecoff, Ed Furgol, Jack Fleck and Dick Mayer after their National Open triumphs.

"I had my letdown the day after I won it," said Bolt, who claims he has abdicated as king of the club throwers.

Holds One-Stroke Edge

Bolt held a one stroke advantage over Bill Casper Jr., of Apple Valley, Calif.

Only 15 from a starting field of 140 had par-or-better scores. And 39 of the competitors had scores in the 80s, against par of 36-36—72.

Other par breakers at 71 are Doug Sanders, the Western Open winner from Miami Beach; George Bayer, the California pro; Ted Kroll of Sarasota, Fla.; Gene Littler of Singing Hills, Calif., and Tom Nieporte of St. Andrews, Ill.

Maple Leafs Miss Bid for Lead in IL

By The Associated Press

The Montreal Royals have piled up an impressive won-lost record in the International League mostly on the strength of their hitting. Occasionally they win with strong pitching.

Thursday night they tried a different approach. They stole five bases against the Havana Cubans. But at the end the Cubans had won 3-2.

Sandy Amoros stole three bases and George Anderson and loser Joe Birrer each swiped one.

The other games saw the Miami Marlins beat the Toronto Maple Leafs 6-1 and the Richmond Virginians slaughter the Buffalo Bisons 9-1. Rochester at Columbus was postponed because of rain.

Kluszewski Lifts Bat Mark to .305

PITTSBURGH (AP) — Big Ted Kluszewski's bat is booming again. He's hitting over the .300 mark for the first time this season.

What's the secret? Confidentially, he's shed his so-called girdle — a tight brace supporting his injured back.

"I felt it was hindering my swing so I took it off three weeks ago and never bothered to put it back on again," said Ted. "The back pains me a little after a game but it disappears quickly."

Kluszewski's average now is .305. He's hiked it in the last eight games with a lusty 13 hits in 29 trips.

Purkey Seeks First Victory Over Cubs

CINCINNATI (AP) — Bob Purkey, the Cincinnati Redlegs' winningest hurler (8-2), is still the choice to try his hand tonight against Chicago's Cubs — a team he's never beaten.

Rain ruled out his starting Thursday night against the St. Louis Cardinals, but Redleg Manager Birdie Tebbetts said Purkey's nomination still stands. He'll be opposed by Taylor Phillips.

Rosewall Nips Hartwig, Hikes Perfect Mark

FOREST HILLS, N. Y. (AP) — This is tiny Ken Rosewall's schedule in the $15,000 tournament of tennis champions—Pancho Gonzales tonight, Lew Hoad Saturday afternoon. That's a 24-hour grind against the supreme sluggers of pro tennis.

"The good players always get an easy schedule," the little Australian laughed. "I better get some sleep."

If Rosewall wins both matches, he'll grab the $3,000 brass ring in the six-match 'round robin. His record is 4-0 after Thursday night's 6-3, 6-3 victory over another Aussie, Rex Hartwig.

Gonzales, the pro king from Los Angeles, is 3-0 and Aussie Hoad is 3-1. Hoad stopped 37-year-old Pancho Segura, 6-2, 9-7 Thursday night before 5,000 chilled fans while Gonzales was idle.

Of the other four pros, only Tony Trabert has an outside chance to tie for first place. He's 2-2 after an 8-6, 8-6 triumph Thursday night over Australian Frank Sedgman, who stands 9-3, Segura is 1-3 and Hartwig 0-4.

The tourney schedule set up a Sunday climax between Gonzales and Hoad as the likely decisive match. But Rosewall's touch-and-go game has changed that.

"If Kenny beats me and then Lew," warned Gonzales, "it's all over Saturday. Kenny doesn't play Sunday. Lew and I'll be playing for second money."

Bears, Eagles To Meet During Ohio State Fair

COLUMBUS, Ohio (AP) — The Chicago Bears and the Philadelphia Eagles will meet at Ohio State Fairgrounds Sunday, Aug. 24, in the first National Football League exhibition game ever staged here. The game will be a feature of the annual state fair week.

Game Site Changed

The Radnor IOOF-Larcom Builders baseball game originally scheduled Sunday at Upper Arlington has been changed to the Radnor diamond, Dick Meyer announced today. Game time is 2:30.

Ohio Coach Takes Army Cage Berth

WEST POINT, N. Y. (AP) — George Hunter, a pharmacist mate in the Navy during World War II, became an Army man Thursday when he was named head basketball coach at the U.S. Military Academy.

Hunter, 33, was chosen by athletic director Earl (Red) Blaik because of a fine record as basketball coach at Mount Union College, Alliance, Ohio.

Hunter's teams won 89 and lost 51 in his seven-year tenure and over the final six seasons averaged onl ysix defeats and were never lower than fourth in the 14-team Ohio Conference.

He is a graduate of Mount Union, where he played four years of varsity basketball, captaining the team his final two years.

Hunter succeeds Orvis Sigler, who resigned after last season to become athletic director and basketball coach at Centenary College, Shreveport, La.

Races Rained Out

COLUMBUS, Ohio (AP—For the third time this season, rain washed out the harness racing program at Hilliards Raceway Thursday night. Nine races will be run tonight with the 14 class trot getting top billing.

Dejohn and Baker Meet at Syracuse

SYRACUSE, N.Y. (AP)—Mike DeJohn, a handsome heavyweight with a great potential, is a 7-5 choice at War Memorial Auditorium tonight.

A red hot contender eight months ago, the 26-year-old Syracuse slammer now needs a decisive victory over the 31-year-old Bob Baker to get back in the limelight.

Last October the rangy, hard hitting DeJohn scored a sensational one-round knockout over then unbeaten Alex Miteff of Argentina.

Yesterday's STARS

Pitching — Early Wynn, White Sox, gave up only a pair of singles, walked two and struck out eight in 4-0 victory over the Red Sox, his second two-hitter of the season and third shutout.

Hitting — Tony Taylor, Cubs, doubled and stole home in the first inning, then socked his first major league home run in the ninth for 5-4 victory over the Braves.

Valenzuela To Accept Offer by Calumet Farm

CHICAGO (AP) —Ismael (Milo) Valenzuela has replaced jockey Bill Hartack as rider for the famed Calumet Farm's stable.

The Texas-born Valenzuela said Thursday Calumet trainer Jimmy Jones had asked him if he wanted to ride for the racing stable, and he agreed.

Share Golf Lead

ERIE, Pa. (AP) — Marlene Bauer Hagge and Betty Dodd shot two-under par 71s Thursday to share first place after the opening round of the 29th Women's Western Open Golf Tournament at the Kahkwa Country Club.

Beverly Hanson missed a six-foot putt on the final green and lost a chance for a three-way tie. She had a 72, one stroke ahead of Jackie Pung and Wiffi Smith.

Miami Cagers on Road

OXFORD, Ohio (AP) — Miami University, defending Mid-American Conference basketball champs plan a 6,800 mile Christmas holiday game trip next season.

The school announced a 24-game schedule Thursday and said the holiday trip includes contests with DePaul, Seattle, Utah and a tournament at Miami, Fla., against Tulane, NYU and Miami of Florida.

Fairfield To Play Two

The Fairfield Engineering softball team will meet Parsell TV of Upper Sandusky in a twin bill Sunday at Garfield Park. The first game is scheduled to get under way at 1:30 p.m. Greg Koudelka and John Short will be the battery for Fairfield in one contest while Donald Moore and Don Patrick will be in action in the other.

All-Stars Play Tonight

TROY, Ohio (AP) — Twenty of Ohio's top high school stars of last season turn out at Hobart Arena here tonight for the state's first all-star North - South basketball contest. The Southerners go into the fracas with the odds on their side. They are armed with sensational Jerry Lucas, three-time all-Ohio center from Middletown, and five first-string all-state players.

Ditch Project Change Asked

Engineer To Prepare New Cost Estimates

Estimated cost of improvements being sought for a section of the Blum Run ditch northeast of Marion will be discussed next Thursday at a public hearing in the county commissioners' office.

Ralph Howard, attorney for petitioners in the Fair Park addition, filed an amendment to the second petition at a meeting in the commissioners' office yesterday. The amendment asks installation of 27-inch tile for 2,000 feet north from Fairground St.

County Engineer Reed Ours was instructed to draw up new cost estimates and submit them before the 10 a.m. meeting Thursday. The engineer's previous estimate was $9,178 for construction and cleaning on the present location.

In addition to installation of tile, the petitioners seek widening, deepening and straightening of the waterway along its course east of Fair Park. The ditch originates at Fairground St. and extends north to the Williamsport Rd. (County Rd. 162).

Streams Too High

Poor Weekend Outlook Offered Anglers in Ohio

COLUMBUS, Ohio (AP)—You'll have to cast your bait upon the waters of a lake this weekend, if you want it to come back bass.

Streams are so high and muddy that you'll just get your line dirty, nothing more, by fishing in them.

The State Department of Natural Resources inferred as much Thursday when it issued a gloomy forecast for Ohio's anglers. The one bright note was that fishing conditions have improved somewhat since last weekend—a not-to-astounding development since conditions a week ago were zero.

Here's the outlook by sections:

NORTHWEST: Lake St. Marys, Oxbow, East Harbor all in good condition, and some fish being taken. Streams roily, muddy and high, with prospects poor.

NORTHEAST: Fishing good in such lakes as Pleasant Hill, Charles Mill, Berlin, Milton, Clearfork and Portage, with many walleyes being taken. Streams? No.

EAST CENTRAL AND SOUTHEAST: Major streams, including Hocking, Walhonding, Muskingum high and muddy. But fishing good in such lakes as Forked Run, Piedmont, Clendening, Burr Oak and Veto.

CENTRAL AND SOUTH: Jackson, and parts of Delaware and Buckeye lakes are normal, but fishing pressure is down. Rains have made streams high and roily, ruining early prospects.

SOUTHWEST: Streams not expected to clear by weekend, but Grant, Sinclair and Indian lakes should be bright spots for fishermen.

SANDUSKY BAY AND BASS ISLAND AREA: Sandusky Bay should be fair for perch, catfish and white bass, especially at Bay Ridge, Battery Park and Range Light. Some white bass and smallmouths, and a few catfish, being taken along rocky shorelines of islands. Perch and rock bass being caught around Catawba State Park, Marblehead and Mouse Island.

Independents Slated for Pair Of League Contests at Home

The Marion Independents softball team is slated for a pair of home games this weekend in Ohio Big Eight Fastball competition, entertaining Toledo Saturday and Fostoria Sunday. Both tilts will get under way at 6:30 p.m.

It will be the start of the second round of games for the league's western division. Marion is 0-6 for the season with several losses coming by one-run margins in extra inning affairs.

Marion's pitchers for the two games will be Bud Thorpe, Sonny Taylor and Sherm McKinniss. All three have 0-2 records.

Toledo is expected to pitch either Nick Zadarian or Tom Nicholas. Zadarian has one win and no defeats to his credit, while Nicholas is 1-1. Top hitter for the Saturday invaders is Chuck Miranda with an even .300 average.

The locals' big gun at the plate has been Dick Gherman, whose average is a healthy .381,

In first - round action, Toledo turned back the Independents, 5-3. Fostoria took a 2-1 decision.

Clair Saul of Upper Sandusky, and Marion's Gene Mull will umpire the Saturday game. John Hachten and Mull will call the plays in Sunday's contest. Charm McCrery will be official scorekeeper for both games.

Concessions will be operated by the local Baseball for Boys organization.

Trojans Capture NCAA Baseball Championship

OMAHA (AP) — Southern California rules today as the champions of the college baseball world.

The Trojans grabbed the NCAA World Series title Thursday night by beating Missouri 8-7, the second win in two nights over the Big Eight Conference champions.

It took 12 innings for the Trojans to get the job done.

Scientists Report on Findings

New Facts About Earth Revealed in IGY Studies

WASHINGTON (AP) — For 11 months more than 10,000 scientists in 66 nations have been giving the earth a sort of physical examination.

Many of their findings were included in testimony and reports by the National Science Foundation to a House Appropriations subcommittee, which made public its transcript today.

They have found:

At the rate man is feeding carbon dioxide to the atmosphere, there is a possibility the world may become a much warmer, gigantic greenhouse.

Mountains float on the earth's molten interior like icebergs.

The space through which this planet twirls is not a simple void, but is filled with thin gases representing the outer reaches of the sun's atmosphere.

If 10 per cent of the volume of ice in the world melted, large sections of the United States would be under water. Once the scientists estimated the globe's ice content at 3,240,000 cubic miles. With closer inspection of the Antarctic they now figure the old estimate was 40 per cent short.

The sea is an apparently rich source of minerals and food. One area contained $500,000 worth of minerals per square mile.

There are vast magnetic fields in space about which we know little.

In tinkering with thermonuclear fission (hydrogen bombs) man is duplicating the sun's processes in the release of energy and this, coupled with a greater understanding of the pull of magnetic forces, may develop into new methods of propulsion through space.

The gigantic scientific effort is part of the worldwide program of earth study known as the International Geophysical Year, an 18-month period of cooperation and exchange of information between the scientists of the 66 participating nations.

Researcher at McGill Reports On Simulated Trip Into Space

BOSTON (AP)—Perhaps, after reading this, you'd rather sign up for the second trip to the moon, instead of the first one.

Dr. Woodburn Heron of Montreal's McGill University reported today to a Harvard Medical School symposium on what happened to 60 college men when they were isolated — something like they might be in a space rocket. They had hallucinations—and that was not all. They didn't think so well. And straight lines looked like curves.

Here's what Dr. Heron said about his experiments:

The subjects were all men who had at least two years of college education. They were kept lying down in a nearby soundproof cubicle.

They wore goggles which caused light diffusion, preventing pattern vision. Perception of surroundings by touch was limited to some extent by cardboard cuffs over hands and forearms. The reason is that space pilots might have to wear special suits.

There was a steady noise from an air-conditioning system which masked their hearing to some degree.

The results? There seemed to be some decline in intellectual functioning. On some tests, the subject was poorer in performance while in isolation. On some others, he did worse after he got out of the cubicle.

After isolation, the subjects had some trouble with their eyes.

Things didn't seem to stay the same size. Tests of size-constancy showed that the experimental subjects were abnormal in this respect.

There were some other neurological effects which persisted for at least three hours after isolation, he added.

Hamburger Feast Held by 20-30 Club

A hamburger fry was held at the Fish and Game Club north of Marion Thursday night by the 20-30 Club.

Thirty members were present for the meal and a brief business meeting. Charles Lewis was appointed secretary for the coming year, succeeding Dr. Marion A. Dunbar.

Discussion centered on plans for the club-sponsored railroad excursion to the doubleheader Cleveland Indians-New York Yankees baseball game in Cleveland Sunday, July 27. The price of the excursion, which includes game tickets and transportation, will be $9 per person.

The meeting concluded with a brief report from James Lippert on the spring dance held recently by the club.

Spahn

(Continued from Page 14)

Southpaw Don Gross fanned pinch-hitter Jim Finigan to save Ronnie Kline's seventh victory for the Pirates after the Giants had scored three in the ninth, two on rookie Bob Schmidt's ninth homer. The Pirates beat Al Worthington (5-3) with four in the seventh, triggered by Bob Skinner's two-run sixth homer.

Two From Boys State Ranks Going To National Camp

CAMP PERRY, Ohio (AP)—Two citizens of Buckeye Boys' State, the annual American Legion school in self-government, will be selected to attend the Legion's Boys' Nation in Washington, D. C., next month.

Trustees of the school voted at their annual meeting Thursday to send two delegates to the national event.

President E. J. Sklenicka of Cleveland and all other officers were re-elected. The others are: vice president, Robert Minshall, Washington Court House; finance officer, William Collins, Mentor, and secretary, W. L. DeWeese of Columbus, dean of the school.

The staff of the Hetuck, the "State's" daily newspaper, announced it had secured deeds to an unused site in the southern part of the area given over to Boys' State and that it planned to establish a country club there. The tract includes two cabins and six vacant lots.

Managing Editor Bob Mackley of Delaware said the club would be primarily for the use of the newspaper staff, but would be "made available periodically for the use of all citizens."

Four Ohioans To Make Trip to Moscow in Fall

Three other Ohio educators, in addition to Robert S. Brown, superintendent of Marion public schools, will be among 74 Americans going to Russia in August for a first-hand survey of education there.

Other Ohioans making the trip were listed today by Gerald Read of Kent State University, secretary-treasurer of the Comparative Education Society of America, sponsors of the trip. They are Warren Nelson, Miami University; Blain Stewart, dean of the college of arts at Oberlin College, and Miss Wilma M. Barbett, Muskingum College.

Los Angeles — Davey Moore, 127, Springfield, Ohio, outpointed Lauro Salas, 128, Mexico, 10.

Council Bluffs, Iowa — Benny Davis, 139, Minneapolis, stopped Joe Parks, 136, Omaha, 6.

Favor Live Vaccine

CINCINNATI (AP) — The deputy Russian minister of health says Soviet scientists are pinning their hopes on a new American-developed live-virus polio vaccine.

Prof. V. M. Zhdanov said in an interview Thursday night he thinks the live-virus vaccine developed by Dr. Albert B. Sabin of Cincinnati will be more effective than the present Salk killed-virus vaccine.

Drowns Near Dover

DOVER, Ohio (AP)—Mrs. Connie Pershing, 16, of Dundee, mother of a 4-month-old son, was drowned near the Beach City Dam Thursday. She had been swimming.

Columbus Is Host To Ohio Assembly Of Rainbow Girls

COLUMBUS, Ohio (AP)—A lot of Rainbows put some color into this capital city today.

Nearly 290 delegates of the Ohio Order of Rainbow Girls gathered here for their state convention today.

The 27th grand assembly convened Thursday night when Miss Nancy Lindlau, grand worthy advisor, greeted 119 Rainbow Girl units.

They were addressed by Andrew J White Jr., grand master of the Grand Lodge of Ohio Masons, and Betty M. Johnson, worthy grand matron of the Order of the Eastern Star of Ohio.

Today the Rainbow Girls—aged 12-20—will elect officers and hear committee reports. Tonight the Grand Cross of Color will be awarded to girls for outstanding work in their assemblies. This will be followed by competition between 11 choirs.

Saturday there will be drill team competition and a parade to climax the convention.

Radio and Television

By BILL WEINSTEIN

A Show on the English Language

John Crosby is in Europe. His guest columnist today is Bill Weinstein, producer of "The Last Word" on CBS-TV.

Being an old cliche man from way back, I always have adhered to the adage, "The boss may not always be right but he is always the boss."

In the case of "The Last Word," my own boss, Irving Gitlin, director of public affairs for CBS news, proved himself not only right but a prophet.

In the late winter of 1956 I was assigned to the show a few weeks before it made its network debut. The boss called me into his office to outline his hopes.

"A show on the English language," he said ,"has terrific possibilities. Here's what you have to do, Bill. You have to make 'The Last Word' a court of appeals on questions about the language. You have to get people to write to you about their arguments on English . . all sorts of people — husband and wife, students and teachers, legislators, everybody. You really have to be the last word on the subject."

-:-

THE BOSS is known for his enthusiasm but as I walked out of his office very little of it stuck to me. How optimistic can you get about a Sunday afternoon program?

A few weeks later, court was called to order and, with Bergen Evens presiding, the program went on the air Jan. 6, 1957.

One of our first panelists was John Mason Brown, author, lecturer, possessor of a rapier-like wit. He turned out to be such a hit we quickly signed him up to be a permanent panelist.

But on that first Sunday, Brown was considerably worried. A few minutes before the on-air signal, Brown tugged at Evans' sleeve and quietly asked, "By the way, Bergen, just what am I supposed to do on the program?"

Before Evans had a chance to reply, the cameras and microphones moved in and "The Last Word" was on the air. The show has been the same ever since—unrehearsed and only sketchily planned. And I am firmly convinced that whatever success we have enjoyed stems directly from this spontaneity.

-:-

THE SECOND Sunday afternoon things were equally hectic (you should remember, John, you were one of the panelists) and somehow we never did get around to briefing the worried Mr. Brown.

And then the fan mail established a pattern—more than 6,000 letters a week. Citizens from all over the nation were sending us questions on every imaginable phase of English usage and grammar, from the use of the dangling participle to the origin of colloquial experessions.

Television critics, the public, and America's educators were squarely on our side. When New York's Gov. Averell Harriman appealed to "The Last Word" on the use of "different from" as opposed to "different than" (a taxpayer had objected to the use of "than" on the state income tax form), I finally began to get the boss' message on a court of appeals concept.

-:-

EARLY THIS YEAR, Press Secretary James Hagerty asked us what was wrong with the word "finalize" (President Eisenhower had been chided for his use of it in the State of the Union speech).

Sen. Arthur Watkins appealed to us to settle a problem of gobbledygook in federal tax instructions.

Today, with our language court in full swing, we answer hundreds of letters from members of the televiewing public. Do Mr. and Mrs. disagree on a point of grammar? Write to us and get the last word (all we ask is a stamped and self-addressed envelope).

Of course, now and then a guest panelist comes along to rock the boat. When Groucho Marx joined us earlier this year, he certainly would have been held in contempt of court by any law-abiding judge. On this particular session, grammar went out the window, Evans became "Bergie," and the crew laughed so hard they hardly could keep their cameras steady.

But it's all part of the fun of mixing information and entertainment. That's what "The Last Word" tries to do.

OHIOAN SWIMS THAMES. James N. Sleppey, 63-year-old tourist from Columbus, O., waves in London after swimming the Thames River Thursday. It was nothing new for him since his hobby is swimming the rivers of the world. Next stop for Sleppey will be Cologne and a swim across the Rhine. (UPI Telephoto)

Atkinson Named As Field Engineer By Highway Dept.

COLUMBUS, Ohio (AP) — Appointment of a field construction engineer to work in 24 counties was announced today by the Ohio Department of Highways.

H. R. Craig, engineer of construction, said James A. Atkinson will aid in administering highway construction activities in three of Ohio's 12 highway divisions.

Atkinson has been a highway construction engineer stationed at Ashland for the last 17 years.

Major projects in the three divisions include part of the Cincinnati-Conneaut Freeway (Ohio 1), the Cleveland - Marietta Freeway (U.S. 21) and much of the East-West Freeway (U.S. 40).

Counties in which Atkinson will operate are Erie, Lorain, Huron, Medina, Crawford, Richland, Ashland, Wayne, Knox, Coshocton, Licking, Muskingum, Guernsey, Fairfield, Perry, Morgan, Noble, Monroe, Washington, Hocking, Athens, Vinton, Meigs and Gallia.

TV Highlights

TONIGHT

8, WLW-C, Jefferson Drum: In "The Outlaw," Drum tries to learn the identity of a pretty teen-age girl, wandering across the prairie in men's clothing.

8, WTVN, Jim Bowie: Jim meets a conniving relative and it almost costs him a small fortune when the kinsman, a lawyer in league with an unscrupulous land speculator, comes up with a forged title to a tract of land.

8, WBNS, Trackdown: A peaceful Sunday erupts into a day of terror when four outlaw brothers bear down on Texas Ranger Hoby Gilman.

8:30, WLW-C, Life of Riley: Riley and Gillis try to learn the mambo and samba at dancing school, but Peg and Honeybee rue the idea when they see the pretty dancing teachers.

8:30, WBNS, Zane Grey Theater Edmond O'Brien stars as a man forbidden by a vow to avenge the violent death of his son in "A Gun Is For Killing."

9, WTVN, Frank Sinatra Show: Sinatra, as talent scout Kerry Maul helps mold young actress Laura Esmay into star material only to have her walk out at the start of a million-dollar career in "Take Me To Hollywood."

9, WBNS, Phil Silvers Show: Bilko jolts the Pentagon when he discovers that a battlefield commission awarded in 1942 has never been revoked, and that he is entitled to a sizeable sum in retroactive pay.

9:30, WLW-C, Mickey Spillane's Mike Hammer: Mike meets a most unusual problem, a woman who won't talk. The only way to help the woman is to enlist the aid of a beautiful actress.

9:30, WBNS, Playhouse of Stars: Steve Forrest and James Gregory star in "You'll Have To Die Now," the story of a young police officer who accidentally discovers that a friend on the force is involved with racketeers.

10, WLW-C, M Squad: In "Shakedown," Lt. Ballinger hunts shakedown racketeers who have threatened a couple for refusing to pay insurance for their chain of dry cleaning plants.

10, WBNS, The Lineup: Gangster style guns, blazing from an automobile, start Lt. Guthrie and Inspector Greb on an investigation that uncovers a bookmaking ring with murder as a sideline in "The Glorietta Shakedown Case."

10:30, WBNS, Person To Person: Actor Bob Evans in his Manhattan apartment and Attorney General William P. Rogers, youngest member of the Cabinet, and his family in Bethesda, Md., will be visited by Edward R. Murrow.

Movies Tonight

5, WLW-C, "Rasputin and the Empress" with The Barrymores. Part Two.

5, WBNS, "Heart of the Golden West" with Roy Rodgers and Smiley Burnette.

1:30, WTVN, Baseball: Columbus Jets - Buffalo Bisons doubleheader in Columbus.

Tab for Hagertys Paid by Exclusive Resort in Florida

TAMPA, Fla. (AP) — Presidential press secretary James C. Hagerty and his wife received free golf lessons, lodgings and meals to the tune of $260.97 from a swank resort club in 1957, the Tampa Tribune said today.

Hagerty and his wife vacationed for five-days as guests of the exclusive Ponte Vedra club near Jacksonville Beach from Jan. 27 through Feb. 1, the newspaper said.

J. P. LeMaster, president of Ponte Vedra Corp., told the newspaper, "when he got here, Hagerty insisted on paying his bill. We wouldn't let him do it."

Mayhugh Courson, assistant manager of the club, said honored guests don't receive bills.

In Washington, Hagerty said:

"The account is correct as reported, except for one thing. I did pay for my golf lessons. I personally paid the club pro.

"I did insist, as the account says, on paying my entire bill, but the club would not let me do so.

"Under the circumstances, there was nothing wrong in this. I don't see how anyone could make anything of my being a guest of the club at their insistence."

LeMaster said there was no thought of gaining a favor by paying Hagerty's bill.

Council Hikes Pay Of Two Marshals

MOUNT GILEAD — An ordinance raising the salary of two village marshals from $285 to $300 per month was passed at the Mount Gilead Village Council's regular meeting this week.

Purchase of two fire hydrants was authorized by the council and Congress Township trustees renewed a fire protection agreement with the village.

A bid of Carroll Lewis was accepted for replacing the roof, valleys and gutters of the Levering Hall at a cost of $3,800.

First reading of an ordinance to limit parking on the north side of both the northeast and northwest parking lots on the north public square was held. The ordinance would provide two-hour parking on both sides with the exception of two lots in the northeast square where 10 minute parking would be allowed.

District Church News

Young people of Richwood First Methodist Church will leave Sunday afternoon for Church Camp at Camp Wesley. The pastor of the church, the Rev. Roy Ballard will be a member of the camp staff.

The Rev. Mr. Ballard's Sunday morning message is entitled, "Our Loyalty Pact." There will be a Bible Study and Prayer Service Thursday at 8 p.m. in the chapel.

The closing program of the church's Daily Vacation Bible School will be tonight at 7:30. A display of handwork will be featured.

—:—

Families of the Men's Brotherhood of St. Paul's Evangelical Lutheran Church of Prospect will join in a swimming party in the Delaware pool Sunday at 6 p.m.

A basket supper at 7:30 will follow the swim period. There will be a brief business meeting conducted by Merle Wargowsky and a talk by John Miley on "Why Have a Men's Auxiliary, Anyhow?"

Sunday morning sermon topic chosen by the Rev. Paul E. Dobberstein is "You Are Imitators of God." Holy Communion is scheduled for the last Sunday in June.

—:—

Daily Vacation Bible School begins Monday, June 23 at 9 a.m. at LaRue Methodist Church. Other events planned for Monday include a meeting of the membership and evangelism committee at 7:30 p.m. in the annex and stewardship and finance commission and board of stewards meeting at 8:30 p.m. in the annex.

LaRue will play New Bloomington Methodist Church in a softball game at 7 p.m. Tuesday.

On Wednesday at 8 p.m. the education commission will meet in the annex.

There will be no chancel choir rehearsal Thursday night, but there will be mid-week prayer and Bible study at 7:45.

This Sunday the IMYF meets at 6:30 p.m. The topic will be "More Planning and Doing." "It's My Soap Box" will be the Senior MYF subject when it meets at 6:30 Sunday night.

—:—

A report on the American Baptist Convention will comprise the Sunday morning talk by the pastor of the First Baptist Church at Richwood.

The evening message will be "Carry a Little Honey." Closing services for the Vacation Bible School will be June 29 at 7:30 p.m.

—:—

The Junior Hi BYF of Prospect Baptist Church will meet Sunday at 7:30 p.m. at the church.

Entertaining the Ann Judson Circle of the women's society of the church on Thursday will be Mrs. Paul Kyle.

Guest Meeting Is Held By Cardington WSCS

CARDINGTON — More than 90 members and guests from Mount Vernon, Edison, Mount Gilead, Loudonville, Leonardsburg and Cardington attended the annual guest meeting of the Cardington WSCS Tuesday in the sanctuary of the First Methodist Church. Mrs. Blanche Sprang, president, greeted guests and offered prayer.

Devotions were conducted by Mrs. Essie Smith. Violin solos were given by Mrs. Mary Lou Rhineberger and vocal solos were by Mrs. Kay Williams accompanied by Mrs. Onieta Miller.

Speaker was Lyman Hurt, a layman of the church and teacher in the local school. The Rev. M. Elizabeth King, pastor of the Leonardsburg Methodist Church and former member of the Cardington church, gave the closing remarks and the benediction.

Bible Words for Today

PROVERBS 3:6 "In all thy ways acknowledge him, and he shall direct thy paths." (KJV)

* * *

God is to be taken into account in ALL aspects of life. Thoughts of Him are not to be limited to special seasons or to special places. He is to be acknowledged in the home, in business, at work, and at play. Our thoughts of Him ought to be so pure and so vital that our conduct would be influenced thereby.

This means that every plan we make should take Him into account. In every decision of our lives, we should face the question, "What is God's will in the matter?" With a satisfactory answer to that question, we should endeavor then to do what we know to be His will.

God demands absolute obedience and total surrender, because He knows that He is unable to "direct our paths" unless and until we are willing to obey Him and surrender to Him.

Let's turn ALL of life over to God!

Two-Day Festival Is Slated To Open At Forest July 31

FOREST—Committees were announced today for Forest's annual Harvest Festival scheduled for July 31 and Aug. 1.

Heading the benefit fund-raising program is Harold Ulrich, general chairman, and Harry Farison, co-chairman. Highlight of the two-day event will be a parade scheduled for the opening night. It will be organized and directed by Donald Miller and Jay Kneisley.

Publicity for the event is being handled by Mrs. Harry Farison, Mrs. Morris Burk, Mrs. Sheldon Lahr and Rodney Burk. Drawings will be supervised by Lee J. Snider, chairman, and members of the Sigma Beta Phi sorority.

The American Legion Auxiliary will be in charge of food arrangements. In addition to the Lions Club and American Legion, the following will assist with concessions and games:

Mayor L. V. Snider, Glenn March, Clarence Kneisley, George Buxton, Jack Turner, Russell Moats, George Southward, Merrit Edgington, Paul Kratt, Clifford Burnett, Justin Wolford, Don Shirk, Carl Simpson, Charles Cramer, Terry Wright, Kenneth Jury, Richard Hickle, Louis Douglas, Richard Albert, Howard Miller, Carl Packer and Richard Messenger.

Prof. Bayliff To Speak

Prof. Russell E. Bayliff, chairman of the department of sociology at Ohio Wesleyan University, will be guest speaker at the Tuesday noon luncheon of the Rotary Club at Hotel Harding.

His topic will be "What Our Colleges Can Contribute to Defense Against Russia." Wilson Tway is program chairman. Guests will be introduced by E. Stewart Norris.

New York Stock Market

NEW YORK (AP) — The stock market staged a broad rally in active trading early this afternoon.

Dealings were heavy as buyers picked up stock following Thursday's late sell-off which brought the worst market drop in more than a month.

Key issues rose from fractions to a point or more. Rails advanced briskly from the start.

The market as a whole was reassured by word that the Federal Reserve Board is far from ready yet to resume a tight money policy.

Steels, oils, tobaccos, coppers, chemicals and motors showed plus signs. Airlines were mixed. Distillers and electronic stocks remained ragged. Utilities were mixed.

Small gains were posted by General Motors, Republic Steel, Boeing, Goodyear, Anaconda, Union Carbide, Standard Oil (New Jersey), Loew's and International Nickel.

U.S. government bonds were firm.

Prospect Branch Bank Schedules Open House

Public inspection of the newly remodeled facilities of the Prospect Branch of the National City Bank of Marion will be observed next Wednesday, Robert E. White, president, announced today.

The interior of the bank was completely remodeled and redecorated and new modern banking equipment was installed, he said.

The open house will be from 2-5 p.m. and 7-9 p.m. June 25.

Central Soya Lists Record Sales, Profits

The third quarter report of Central Soya Company, Inc., and its feed division, McMillen Feed Mills, reveals a new high in sales and net profits for the nine-month fiscal period ending May 31, the company announced today. Increased production efficiencies, greater product demand and concurrent increase in sales volume were primary factors resulting in nine-month net profits that were more than 18 per cent greater than the same fiscal period of the previous year, the company said.

Sales for the quarter were $59,702,074 as compared to $49,287,588 the previous year. Nine-month sales were $161,549,710 compared to $140,786,516 for 1957. After provision for taxes, net profit for the current quarter amounted to $1,584,993 or $1.43 per share, bringing the nine-month total to $3,616,391 or $3.26 per share. This compares with net profit of $1,105,381, or $1.00 per share, for the comparable quarter last year, and $3,060,356, or $2.76 per share, for the nine-month period in 1957.

Harold W. McMillen, chairman of the board, said that "many companies serving agriculture and its animal production segment have not been subjected to the adverse conditions affecting some of our major industries in past months. It now appears that company dollar sales for the fiscal year 1958, as well as net profits per share, will substantially exceed those of recent years."

Bucyrus Salon, 8 et 40, Holds Officer Election

BUCYRUS—Mrs. Frank Strauch was elected president of Salon 389 of the 8 et 40 organization at the reorganizational meeting of the unit Wednesday night. She succeeds Miss Esther E. Wagner.

Others elected are: Mrs. Jack Seemuth of Tiffin, chapeau premiere: Mrs. Ro nald Aichholz of New Washington, chapeau Deuxmiere: Mrs. Ronald Aichholz of rus, l'archiviste; Mrs. Henry Anderson of Tiffin, concierge; and Mrs. Gladys Thorne of Bucyrus, l'aumonier.

Officers will be installed in August. The July meeting has been cancelled due to a conflict with the state convention.

Bucyrians Will Get New Fuel Gas Regulators

BUCYRUS — The Ohio Fuel Gas Co. has started a $32,000 project in the north and east sections of Bucyrus, J. F. Sherbundy, local manager for the company has announced.

Individual gas pressure regulators now are being installed in 670 homes located in the area bounded on the west by Tiffin St., on the north and east by the corporation line and on the south by the Sandusky River.

Regulators also are being installed at 420 homes in the area north of Bryant Ave., bounded on the west by the New York Central Railroad tracks and one the north and east by the corporation line.

The new meters are needed for a change in pressure in the two areas necessitated by increased demands for natural gas, according to Mr. Sherbundy. They will reduce gas pressure at homes to that carried in streetmains.

The Rorick Plumbing and Heating Co. of Bucyrus, is installing the regulators in the northern section, with work expected to be completed in August. Work in the eastern section is expected to be completed in November.

The first Swedish settlement in America was made in 1638 on the lower Delaware River where the city of Wilmington is now situated.

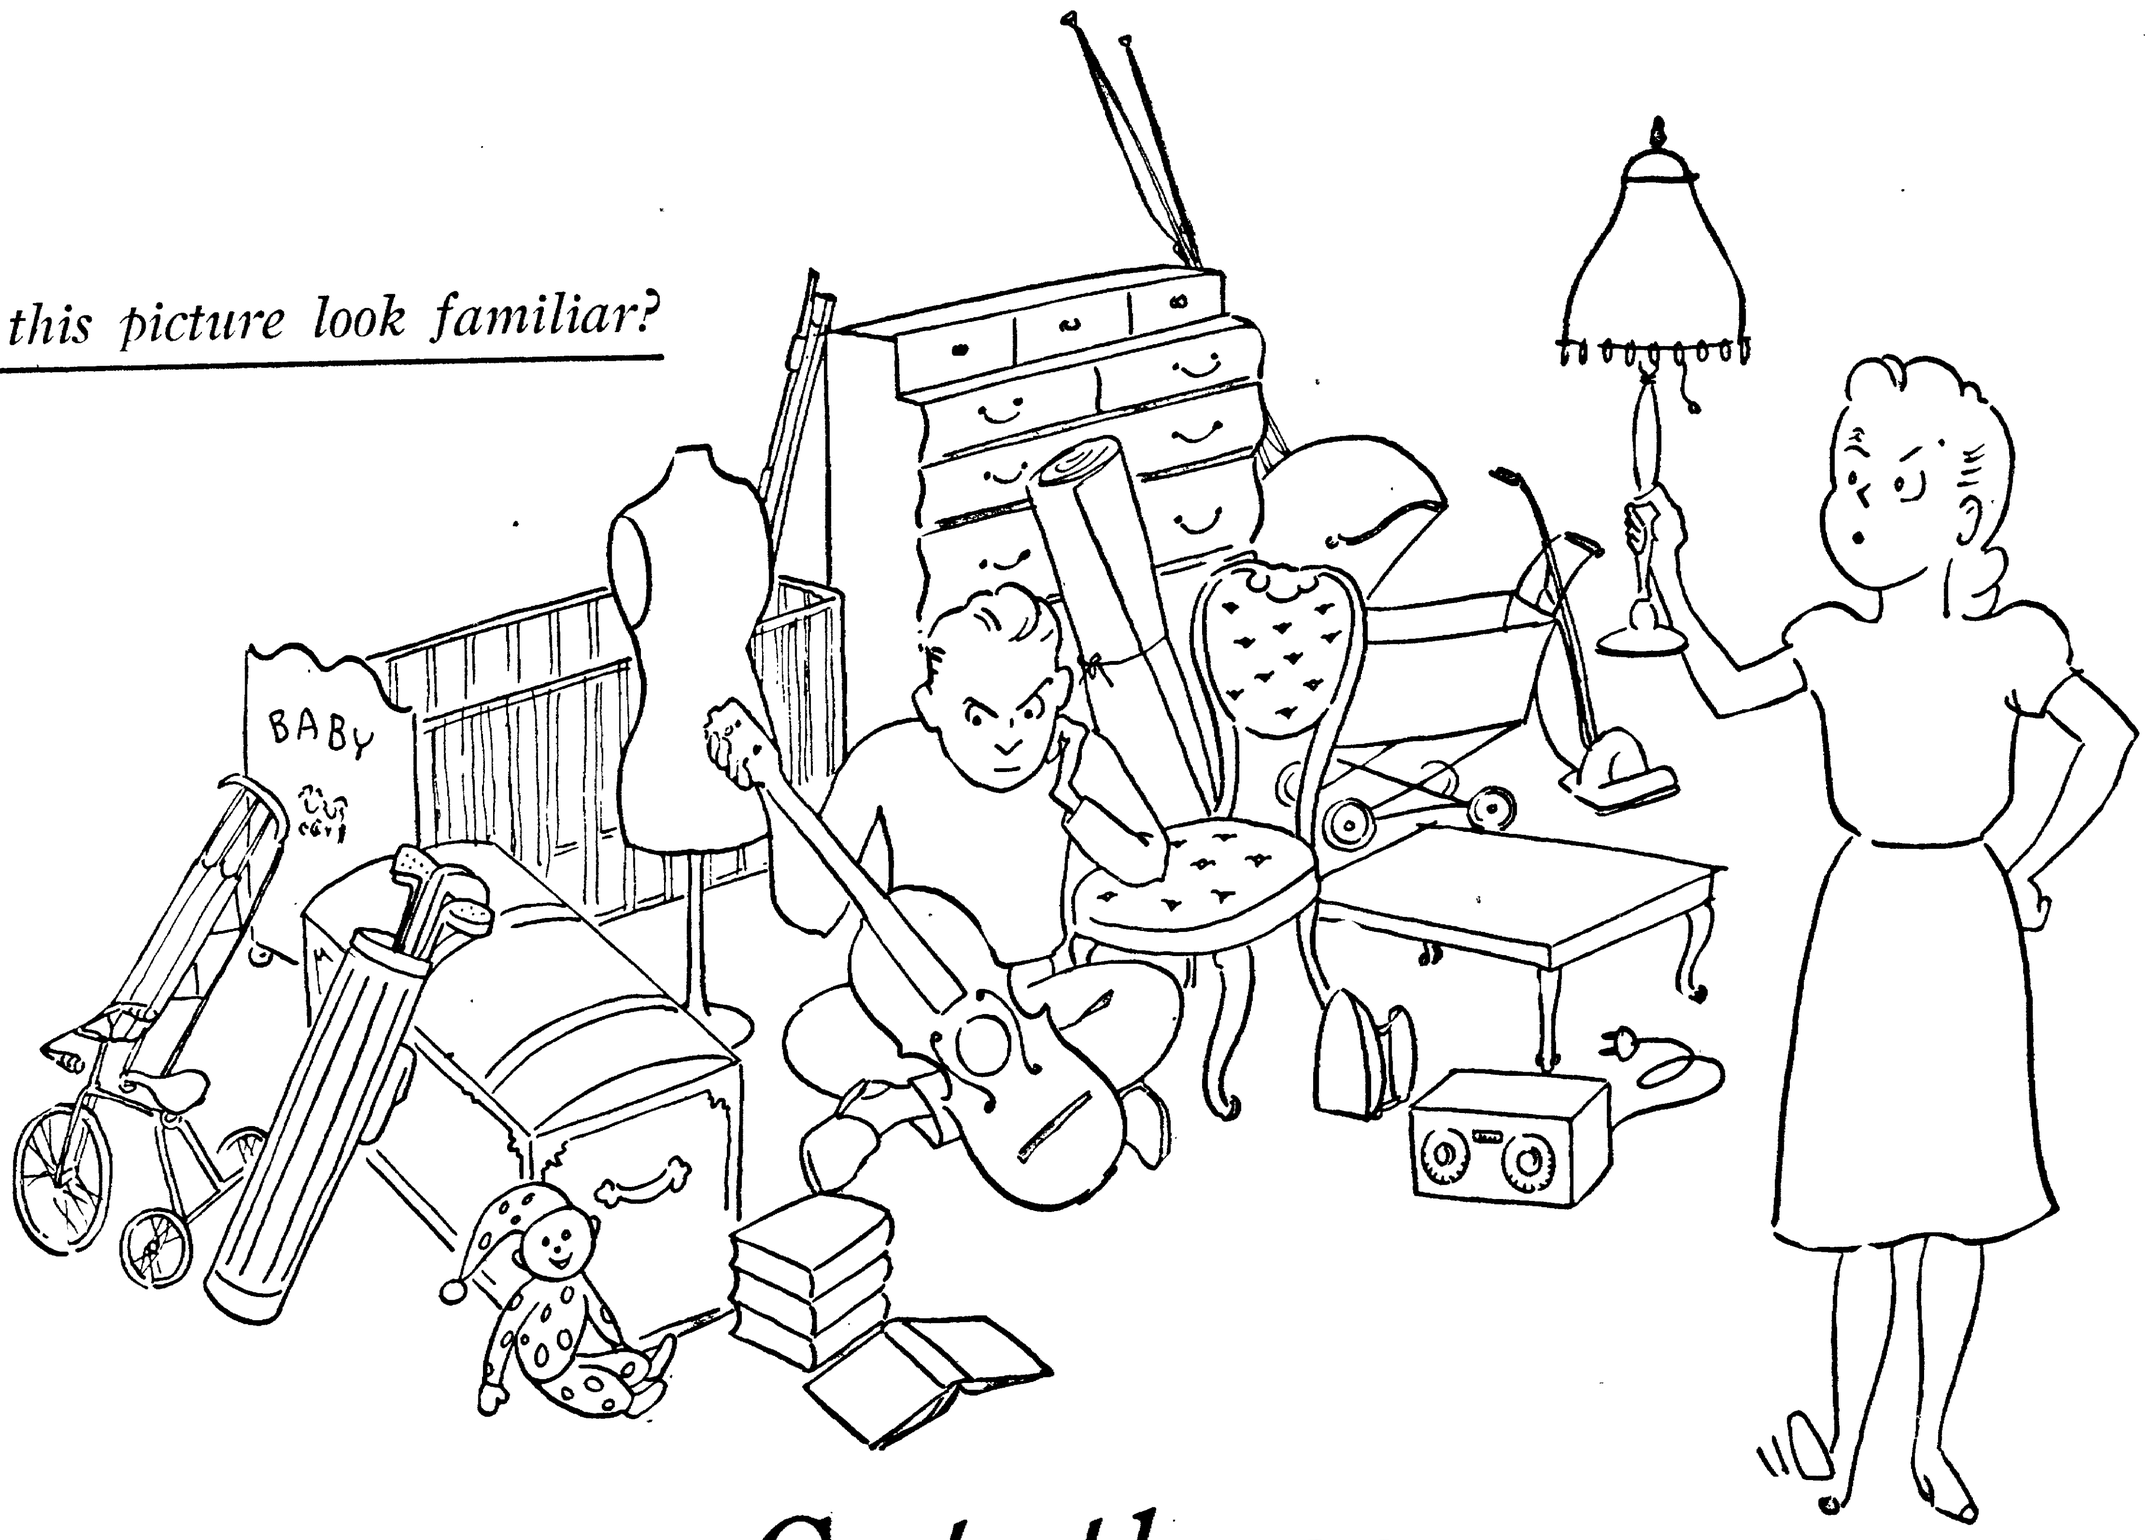
Does this picture look familiar?



Got those

now-we've-cleaned-the-attic-what'll-we-do-with-the-stuff

blues?

It happens every year, doesn't it? At the first sign of nice weather, we go up to the attic, roll up our sleeves, and decide all this stuff has got to go! The attic isn't the only place that gets the "cleaned-out" treatment . . . the garage, the basement, the whole house falls before the clean-up, straighten-out fever.

When it's all over, how much of the stuff you had stored in those places do you actually throw away . . . and (alas!) how much of it is too good to throw, so you put it back to catch and gather dust until NEXT Spring-cleaning session!

This year why not make your cleaning session a profitable one . . . Take all those "still-in-good shape" items you've gathered up — and sell them through the want ad pages of The Marion Star.

Every day hundreds and hundreds of items that homemakers no longer need are sold through want ads . . . books, clocks, toys, baby furniture, sporting goods, appliances, musical instruments, to name just a few.

From monkeys to antiques, you'll find a buyer quickly, and in no time at all you'll have converted those dust-catchers into ready cash.

It's so easy, too . . . just dial 2-1101, ask for the Want Ad taker, come in and place your ad in person, or send it in by mail.

Make a clean sweep of those don't-need items today — make them earn extra dollars for you now.

Jaycees Elect New President In Long Ballot

LOS ANGELES (AP)—Bob Cox, Chapel Hill, N. C., was voted president by acclamation of the U.S. Junior Chamber of Commerce today after 15 deadlocked ballots among four candidates.

Cox led from the first ballot but never got the majority required to win. The voting started at 1:30 p. m. Thursday and continued for about 12 hours, with time out for dinner.

After the 15th ballot, Clarence Blazier of North Canton, Ohio, moved as spokesman for the other three candidates that Cox' election be made unanimous "for the good of the organization." The other two candidates seconded the motion and delegates to the junior chamber's national convention unanimously approved the motion.

The atmosphere in Shrine Auditorium resembled that of a national political convention as candidates' supporters shouted, paraded and roared their delegations' votes.

The deadlock was broken after 40 of the 51 junior chamber "states"-including Alaska, Hawaii and the District of Columbia-had announced their votes on the 15th round.

On the 14th round Cox had 1,177 votes; Blazier, 524; Wallace R. Heatwole, Waynesboro, Va., 431, and Richard J. Lynch, Kansas City, Mo., 338.

Post at Johnsville Refused by Swank

MOUNT GILEAD — Rod Swank, 29, of Utica, who was hired last week as superintendent of Johnsville School, said he has decided to remain at Utica and won't accept the new post.

This leaves two superintendent posts to be filled in the Morrow County school system. In addition to the Johnsville post, a vacancy must be filled at Marengo. Richard Fuller resigned as Marengo superintendent to take a position as business administrator in the Sylvania Exempted Village School.

There are about 18 other vacancies to be filled in county schools, according to T. A. Gantz. Among recent resignations was that of Chloe Sears who left a sixth grade teaching post at Sparta to take a new position in the Centerburg School.

Bible School To Close

Forty-six boys and girls will be issued certificates in the closing program of Daily Vacation Bible School to be held at Christ Gospel Mission on Davids St. tonight at 7.

Making the presentation of certificates to students and teachers will be the Rev. Carl Noggle, church pastor.

The children will have charge of the program, under the direction of Mrs. Noggle. The program will be open to parents and friends of the Bible school graduates.

Will Attend Workshop

Donald Neimeister, machine shop instructor at Harding High School, will attend a week-long trade workshop at Ohio State University, beginning June 23.

Along with other teachers throughout the state, he will evaluate machine shop projects and attempt to determine what projects best serve the high school educational objectives in machine shop instruction.

Passes Control Bill

TAIPEI, Formosa (AP) — The Nationalist Chinese legislature completed passage of a government newspaper and magazine control bill today. It needs only President Chiang Kai-shek's signature to become law.

The bill permits the government to suspend publications after nine warnings or if convicted of sedition or treason.

BUDGET NOTICE

Notice is hereby given that the annual budget for Prospect Local School District for the year 1959 has been prepared according to law. A public hearing will be held on same, Monday evening, July 7, 1958 at 8:00 o'clock P.M. at the School Building.

Edward J. Ruzzo, Probate Judge, Marion County, Ohio

Case No. 22561.
June 20,27; July 4,1958

ORDINANCE NO. 6339

ORDINANCE TO PROVIDE FOR THE ISSUANCE OF NOTES IN ANTICIPATION OF THE LEVY OF SPECIAL ASSESSMENTS AND IN ANTICIPATION OF THE ISSUANCE OF BONDS TO PAY THE PROPERTY OWNERS PORTION OF IMPROVING REED AVENUE FROM CHURCH STREET TO INDIANA AVENUE, BY WIDENING EXISTING PAVEMENT TO 23 FEET AND CONSTRUCTING A 30 INCH CONCRETE CURB AND GUTTER ON EACH SIDE.

WHEREAS the Council of the City of Marion has heretofore, by proper legislation, declared the necessity of improving Reed Avenue from Church Street to Indiana Avenue by widening existing pavement to 23 feet and constructing a 30 inch concrete curb and gutter on each side.

WHEREAS, this Council contemplates the use of $10,500.00 for the purpose of paying the portion of the cost of said improvements which are to be paid by assessments.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Marion:

Section 1. That it is hereby declared necessary to issue the bonds of the City of Marion in the principal sum of $10,500.00 for the purpose of raising money, in anticipation of the collection of special assessments for Improving Reed Avenue from Church Street to Indiana Ave.

Section 2. That said bonds shall be dated approximately July 1, 1959, shall bear interest at the rate of 4% per annum, payable semi-annually until the principal sum is paid, and shall mature in ten substantially equal semi-annual installments after their issuance.

Section 3. That for the purpose of raising money in anticipation of the levy of special assessments and in anticipation of the issuance of bonds in anticipation of the collection of special assessments for the improvement as aforesaid in accordance with the legislation heretofore passed by the City of Marion's Council with respect thereto, to pay the property owner's share of the cost and expense of said respective improvements, it is hereby declared necessary to issue and there shall be issued notes of said City in the amount of $10,500.00, which shall be placed to the credit of the Special Improvement Fund.

The appropriation hereinabove made for said street improvement is subject to the qualification that interest at the rate of 4% per annum for the period prior to the collection of the first installment so to be levied shall be included in said amount, and the amount necessary to pay said interest is hereby appropriated for the payment thereof and for no other purpose.

Section 4. That such anticipatory notes in the amount aforesaid shall be issued bearing interest at the rate of 3% per annum, payable semi-annually. Such notes shall be dated the 1st day of July, 1958, and shall mature on or before the 30th day of June, 1959. Such notes shall be executed and delivered in such number and such denominations as may be requested by the purchaser of such notes.

Section 5. Such notes shall be executed by the Mayor and City Auditor and bear the seal of the corporation. They shall be payable at the office of the City Treasurer, Marion, Ohio; they shall express upon their face the purpose for which they are issued and that they are issued pursuant to this Ordinance.

Section 6. All assessments collected for the improvements aforesaid and unexpended balances remaining in the funds after the costs and expenses of said improvements have been paid, shall be applied to the payment of said notes and the interest thereon until both are fully provided for.

Section 7. Said notes shall be first offered to the Sinking Fund Trustees of the City and so many of the same as shall not be taken by said trustees shall be sold at private sale by the City Auditor, but for not less than par and accrued interest, and the proceeds from such sale, except any premium and accrued interest thereon and the amount thereof necessary for the payment of interest prior to the maturity of said notes, shall be paid into the proper fund and used for the purpose aforesaid and for no other purpose. Any premium and accrued interest and the amount necessary for the payment of interest prior to their maturity shall be transferred to the Sinking Fund to be applied in the payment of principal and interest of said notes in the manner provided by law.

Section 8. Said notes shall be the full general obligations of the City and the full faith, credit and revenue of said City are hereby pledged for the prompt payment of the same. The par value to be received from the sale of the bonds anticipated by said notes shall, to the extent necessary, be used only for the retirement of said notes, at maturity, together with interest thereon, and is hereby pledged for such purpose.

Section 9. In the event that such assessments are not levied or bonds are not issued to provide a fund for the payment of said notes at maturity, a general tax shall be levied against all of the property in said City for the payment of such notes and the interest thereon.

Section 10. The City Auditor is hereby directed to forward a certified copy of this Ordinance to the County Auditor.

Section 11. That this Ordinance shall take effect and be in force from and after the earliest period allowed by law.

/s/ FRED C. BALDAUF
President of Council

May 16,23,30; June 6,13,20,1958

ORDINANCE NO. 6360

ORDINANCE TO PROVIDE FOR THE ISSUANCE OF NOTES IN ANTICIPATION OF THE LEVY OF SPECIAL ASSESSMENTS AND IN ANTICIPATION OF THE ISSUANCE OF BONDS TO PAY THE PROPERTY OWNERS PORTION OF IMPROVEMENT OF UHLER ROAD FROM MT. VERNON AVENUE SOUTH 750 FEET TO THE PRESENT CITY CORPORATION LINE, BY RESHAPING EXISTING MACADAM, DOING NECESSARY GRADING, PROVIDING ADEQUATE DRAINAGE, CONSTRUCTING CONCRETE CURBS AND GUTTERS AND SURFACING THE MACADAM WITH 2½ INCHES ASPHALTIC CONCRETE.

WHEREAS, the Council of the City of Marion has heretofore, by proper legislation, declared the necessity of improving Uhler Road from Mt. Vernon Ave. south 750 feet to the present City Corporation line, by reshaping existing macadam, and doing necessary grading, providing adequate drainage, constructing concrete curbs and gutters, and surfacing the macadam with 2½ inches of asphaltic concrete.

WHEREAS, this Council contemplates the use of $11,500.00 for the purpose of paying the portion of the cost of said improvements which are to be paid by assessments.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Marion:

Section 1. That it is hereby declared necessary to issue the bonds of the City of Marion in the principal sum of $11,500.00 for the purpose of raising money, in anticipation of the collection of special assessments for improving of Uhler Road from Mt. Vernon Avenue south 750 feet to the present city corporation line, by reshaping existing macadam, doing necessary grading, providing adequate drainage, constructing concrete curbs and gutters, and surfacing the macadam with 2½ inches of asphaltic concrete.

Section 2. That said bonds shall be dated approximately July 1, 1959, shall bear interest at the rate of 4% per annum, payable semi-annually until the principal sum is paid, and shall mature in ten substantially equal semi-annual installments after their issuance.

Section 3. That for the purpose of raising money in anticipation of the levy of special assessments and in anticipation of the issuance of bonds in anticipation of the collection of special assessments for the improvement as aforesaid in accordance with the legislation heretofore passed by the City of Marion's Council with respect thereto, to pay the property owner's share of the cost and expense of said respective improvements, it is hereby declared necessary to issue and there shall be issued notes of said City in the amount of $11,500.00, which shall be placed to the credit of the Special Improvement Fund.

The appropriation hereinabove made for said Street improvement is subject to the qualification that interest at the rate of 4% per annum for the period prior to the collection of the first installment so to be levied shall be included in said amount, and the amount necessary to pay said interest is hereby appropriated for the payment thereof and for no other purpose.

Section 4. That such anticipatory notes in the amount aforesaid shall be issued bearing interest at the rate of 3% per annum, payable semi-annually. Such notes shall be dated the 1st day of July, 1958, and shall mature on or before the 30th day of June, 1959. Such notes shall be executed and delivered in such number and such denominations as may be requested by the purchaser of such notes.

Section 5. Such notes shall be executed by the Mayor and City Auditor and bear the seal of the corporation. They shall be payable at the office of the City Treasurer, Marion, Ohio; they shall express upon their face the purpose for which they are issued and that they are issued pursuant to this Ordinance.

Section 6. All assessments collected for the improvements aforesaid and unexpended balances remaining in the funds after the costs and expenses of said improvements have been paid, shall be applied to the payment of said notes and the interest thereon until both are fully provided for.

Section 7. Said notes shall be first offered to the Sinking Fund Trustees of the City and so many of the same as shall not be taken by said trustees shall be sold at private sale by the City Auditor, but for not less than par and accrued interest, and the proceeds from such sale, except any premium and accrued interest thereon and the amount thereof necessary for the payment of interest prior to the maturity of said notes, shall be paid into the proper fund and used for the purpose aforesaid and for no other purpose. Any premium and accrued interest and the amount necessary for the payment of interest prior to their maturity shall be transferred to the Sinking Fund to be applied in the payment of principal and interest of said notes in the manner provided by law.

Section 8. Said notes shall be the full general obligations of the City and the full faith, credit and revenue of said City are hereby pledged for the prompt payment of the same. The par value to be received from the sale of the bonds anticipated by said notes shall, to the extent necessary, be used only for the retirement of said notes, at maturity, together with interest thereon, and is hereby pledged for such purpose.

Section 9. In the event that such assessments are not levied or bonds are not issued to provide a fund for the payment of said notes at maturity, a general tax shall be levied against all of the property in said City for the payment of such notes and the interest thereon.

Section 10. The City Auditor is hereby directed to forward a certified copy of this Ordinance to the County Auditor.

Section 11. That this Ordinance shall take effect and be in force from and after the earliest period allowed by law.

ORDINANCE NO. 6354

ORDINANCE ESTABLISHING A FIRE LANE ON THE NORTH SIDE OF EAST MARK STREET FROM MAIN STREET TO STATE STREET, AND ON NORTH PROSPECT STREET, EAST SIDE, FROM SILVER STREET TO WEST FAIRGROUND STREET.

NOW THEREFORE, BE IT ORDAINED by the Council of the City of Marion, State of Ohio:

Section 1. That the north side of East Mark Street from Main Street to State Street shall be designated as "Fire Lane" and vehicles shall be prohibited from parking in said "Fire Lane."

Section 2. That the east side of North Prospect Street from Silver Street to West Fairground Street shall be designated as "Fire Lane" and vehicles shall be prohibited from parking in said "Fire Lane."

Section 3. That any person violating the foregoing provisions shall be amenable to Section 19.121 of the Marion City Code.

Section 4. That this Ordinance shall take effect and be in force from and after the earliest period allowed by law.

RESOLUTION NO. 4208

RESOLUTION INSTRUCTING THE WATER COMPANY TO INSTALL WATER SERVICE LINES ON UNDERWOOD AVENUE AS SHOWN ON THE DRAWINGS FOR THE STREET IMPROVEMENT IN THE ENGINEERS AND DIRECTORS OFFICE.

WHEREAS, the City contracted and is about to construct a street pavement on Underwood Avenue, and

WHEREAS, the water main lays within the limits of said improvement, and

WHEREAS, service lines from the water main to the curb box are not installed to all lots, and

WHEREAS, Council determines that said water service lines should be installed before the pavement is installed in order to avoid excavation into the newly constructed pavement, and

WHEREAS, the construction of the service lines are a part of the pavement improvement and shall be assessed to the properties served.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Marion, State of Ohio:

Section 1. That the Marion Water Company is hereby authorized and directed to install water service lines on Underwood Avenue in accordance with the plans for the pavement improvement in the office of the Safety-Service Director and the City Engineer.

Section 2. That the cost of said service line installation shall be a part of the improvement cost and shall be paid to the Marion Water Company from the improvement fund.

Section 3. That the cost of the service line installation shall be assessed to the property served.

Section 4. That this authority is granted and assessment made on the condition that the Marion Water Company, upon water being used on the lots herein served, will refund unto the then lot owner the sum of money assessed against said lot on which water is being used.

Section 5. That this Resolution shall take effect and be in force from and after the earliest period allowed by law.

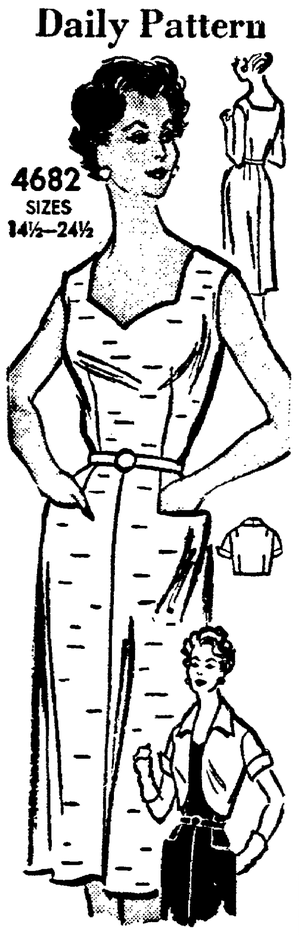
Entertainment for the Whole Family

ALL-STAR FEATURES, COMICS, and ADVENTURE

Daily Pattern



By ANNE ADAMS

This Printed Pattern is wonderfully becoming to half-sizers! Smart and slimming dress is ideal for sunning; add bolero for cool-weather coverage. Easy sew—proportioned to fit, flatter.

Printed Pattern 4682: Half Sizes 14½, 16½, 18½, 20½, 22½, 24½. Size 16½ dress, 3⅞ yards 35-inch fabric; bolero 1⅞ yards.

Printed directions on each pattern part. Easier, accurate.

Send Fifty Cents in coins for this pattern—add 5 cents for each pattern for 1st-class mailing. Send to Anne Adams, care of The Marion Star, 100 Pattern Dept., 243 West 17th St., New York, 11, N. Y. Print plainly Name, Address with Zone, Size and Style Number.

Duke Ellington Writing Score for New Musical

NEW YORK (AP) — Duke Ellington, prolific composer of blues and mood music, has written 21 new songs for an upcoming Broadway production, "Saturday Laughter."

The tune drama, based by Herbert Martin and Stephen Bates upon Peter Abraham's novel "Mine Boy," concerns happenings in South Africa. The producing team of Christopher B. Manos and Arnold Margolin has set rehearsals for late July, with Gotham arrival in October.

Needle Pattern

By LAURA WHEELER

Loveliest cover for year-round wear! Easy crochet, this little cape in pineapple design. Use 3-ply fingering yarn or string.

Pattern 833: Crochet directions for small, medium and large cape included in pattern. Lovely and goes with everything.

Send Thirty-five Cents (coins) for this pattern—add 5 cents for each pattern for 1st-class mailing. Send to The Marion Star, 86 Needlecraft Dept., P. O. Box 164, Old Chelsea Station, New York 11, N. Y. Print plainly Pattern Number, Name, Address and Zone.

As a bonus, Two complete patterns are printed right in our Laura Wheeler Needlecraft Book. Dozens of other designs you'll want to order—easy fascinating handwork for yourself, your home, gifts, bazaar items. Send 25 cents for your copy of this book today!

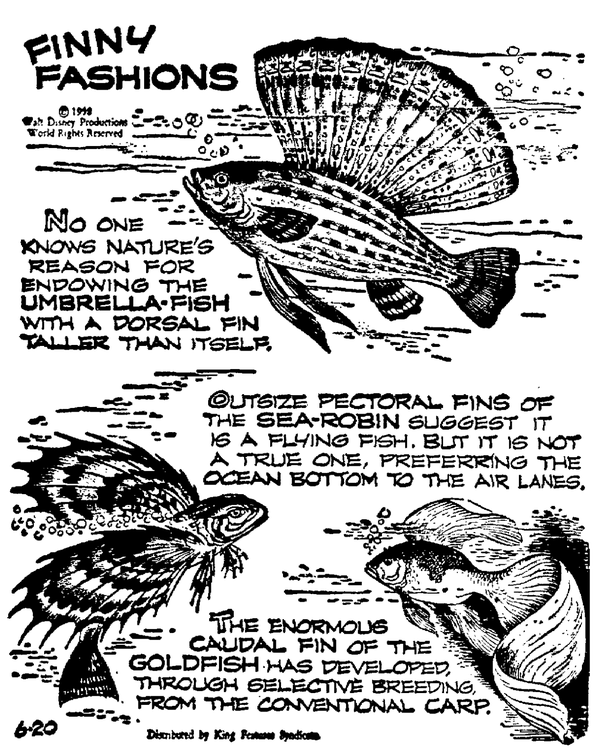
Play Safe While You Drive!

Keep alert—chew gum

Avoid traffic jitters and driving drowsiness. Chew gum while you're behind the wheel. Chewing helps relieve strain and tension—helps keep you feeling fresh and alert for safer driving.

Chew any brand of gum you like but chew while you drive. Naturally, we recommend refreshing, delicious Wrigley's Spearmint Gum—for lively, satisfying flavor and real chewing enjoyment.

TRUE LIFE ADVENTURES By Walt Disney



FINNY FASHIONS
© 1958 Walt Disney Productions World Rights Reserved
NO ONE KNOWS NATURE'S REASON FOR ENDOWING THE UMBRELLA-FISH WITH A DORSAL FIN TALLER THAN ITSELF.
©UTSIZE PECTORAL FINS OF THE SEA-ROBIN SUGGEST IT IS A FLYING FISH. BUT IT IS NOT A TRUE ONE, PREFERRING THE OCEAN BOTTOM TO THE AIR LANES.
THE ENORMOUS CAUDAL FIN OF THE GOLDFISH HAS DEVELOPED, THROUGH SELECTIVE BREEDING, FROM THE CONVENTIONAL CARP.

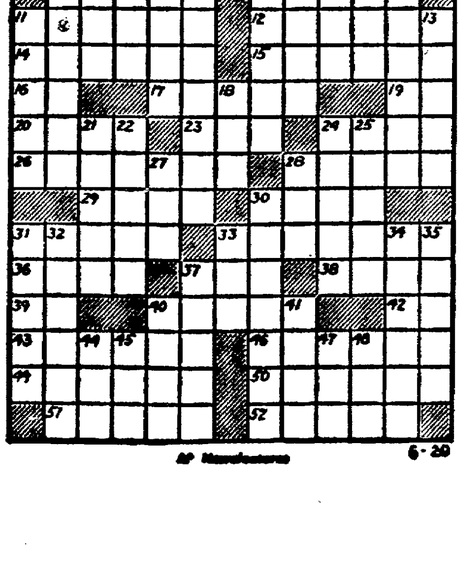
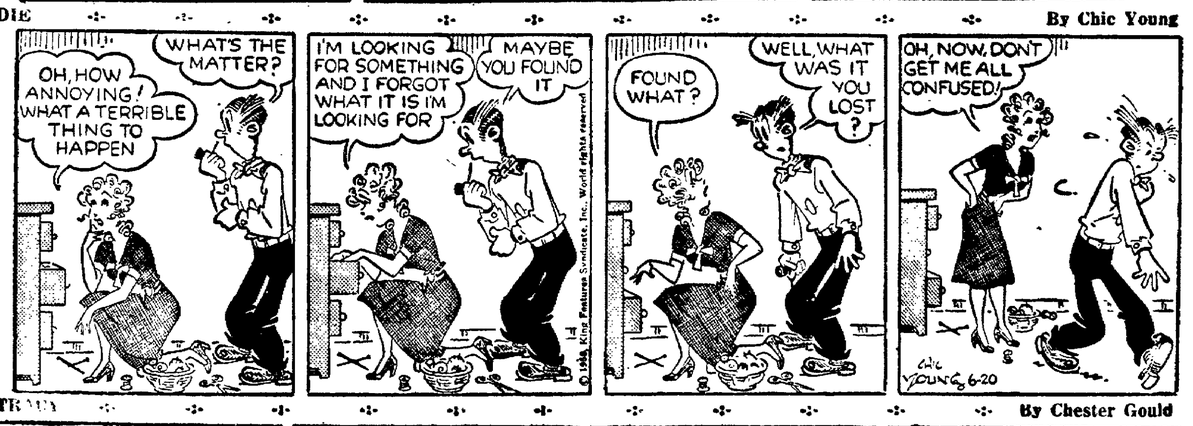
Solution of Yesterday's Puzzle



THE HEART OF JULIET JONES By Stan Drake

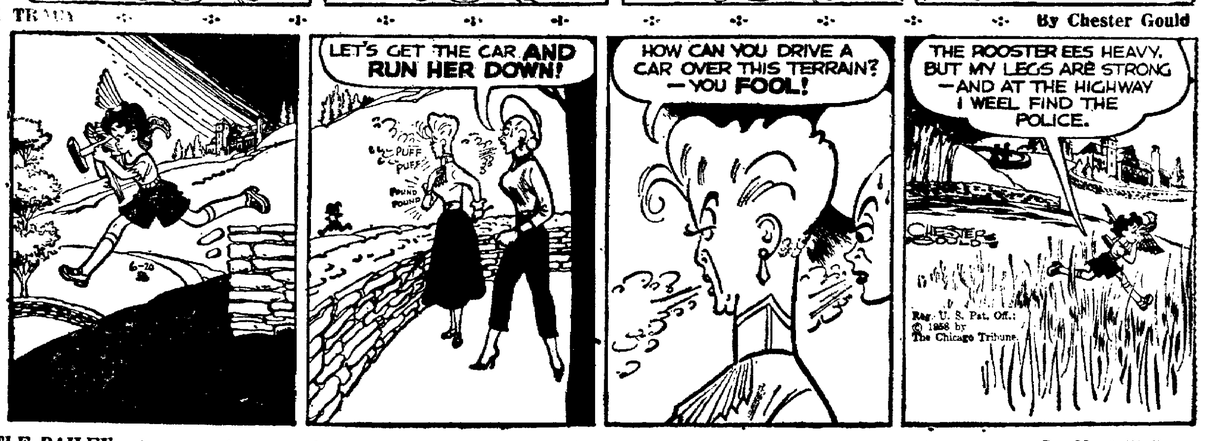
IT'S NEVER BEEN LIKE THIS BEFORE, JULIE. SURE I THOUGHT I WAS IN LOVE, BUT COMPARED TO WHAT I FEEL ABOUT LINK KRESTON...
6-20
THE OTHERS WERE TEENSY LITTLE SPARKS. NOW—NOW IT FEELS LIKE I'VE GOT A BONFIRE GOING FULL BLAST INSIDE MY HEART...
I WANT TO HOLD HIM, TO BE NEAR HIM ALWAYS...OH, JULIE, LOVE IS JUST LIKE A PAIN—DOWN DEEP AND NOTHING CAN GET TO IT!
© 1958, King Features Syndicate, Inc., World rights reserved.

BLONDIE By Chic Young



OH, HOW ANNOYING! WHAT A TERRIBLE THING TO HAPPEN
WHAT'S THE MATTER?
I'M LOOKING FOR SOMETHING AND I FORGOT WHAT IT IS I'M LOOKING FOR
MAYBE YOU FOUND IT
FOUND WHAT?
WELL, WHAT WAS IT YOU LOST?
OH, NOW, DON'T GET ME ALL CONFUSED!
CHIC YOUNG 6-20
© 1958, King Features Syndicate, Inc., World rights reserved.

DICK TRACY By Chester Gould



LET'S GET THE CAR AND RUN HER DOWN!
PUFF PUFF
HOW CAN YOU DRIVE A CAR OVER THIS TERRAIN? —YOU FOOL!
THE ROOSTER EES HEAVY, BUT MY LEGS ARE STRONG —AND AT THE HIGHWAY I WEEL FIND THE POLICE.
CHESTER GOULD
Reg. U. S. Pat. Off.

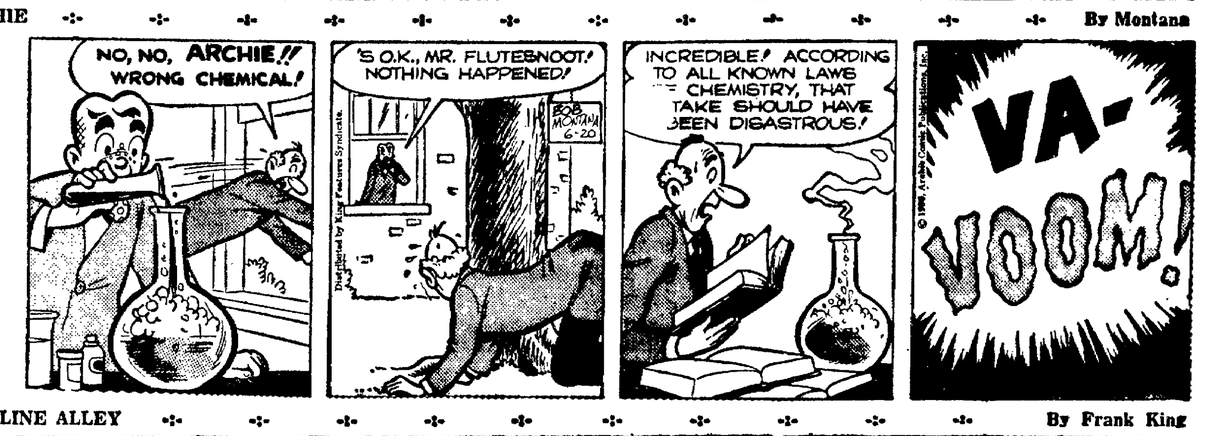
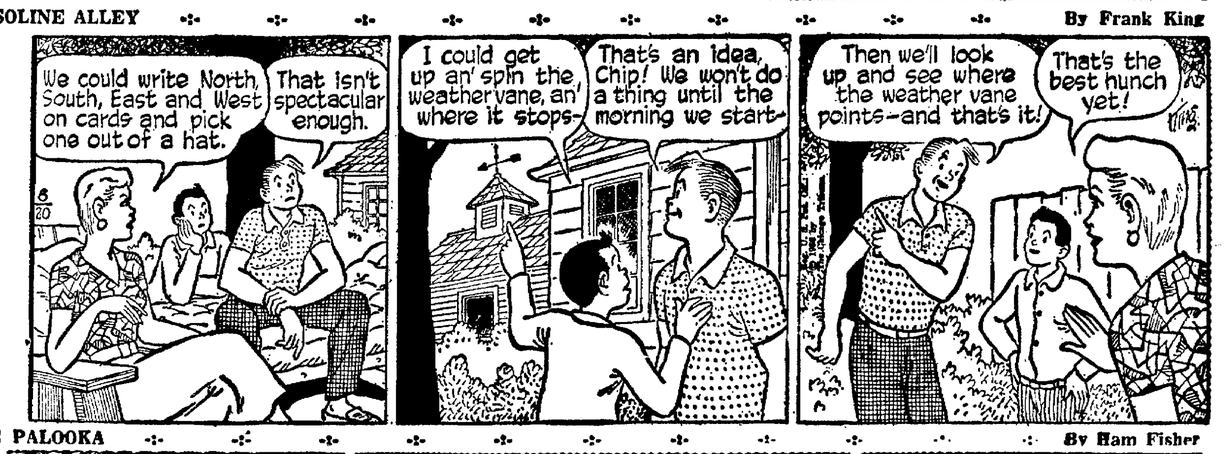
SOON AS I MAIL THIS LETTER TO MOM TELLING HER HOW MUCH I LIKE THE ARMY
6-20
YOU LIKE THE ARMY?!
SURE. WITH THESE SWANKY BARRACKS AND SOFT BEDS WHO WOULDN'T LIKE SUCH LUXURY?!
MAIL ROO
LETTER FOR YOU, MIZ CORNSBY

ARCHIE By Montana



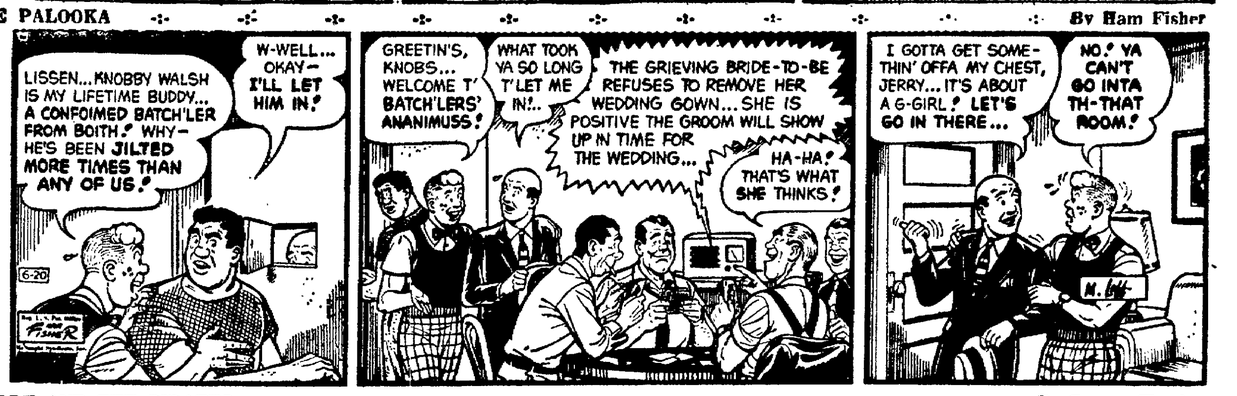
NO, NO, ARCHIE!! WRONG CHEMICAL!
'S O.K., MR. FLUTEBNOOT! NOTHING HAPPENED!
BOB MONTANA 6-20
INCREDIBLE! ACCORDING TO ALL KNOWN LAWS OF CHEMISTRY, THAT TAKE SHOULD HAVE BEEN DISASTROUS!
VA-VOOM!
© 1958, Archie Comic Publications, Inc.

GASOLINE ALLEY By Frank King



We could write North, South, East and West on cards and pick one out of a hat.
That isn't spectacular enough.
6 20
I could get up an' spin the weathervane, an' where it stops—
That's an idea, Chip! We won't do a thing until the morning we start—
Then we'll look up and see where the weather vane points—and that's it!
That's the best hunch yet!

JOE PALOOKA By Ham Fisher



LISSEN... KNOBBY WALSH IS MY LIFETIME BUDDY... A CONFOIMED BATCH'LER FROM BOITH.! WHY—HE'S BEEN JILTED MORE TIMES THAN ANY OF US.!
W-WELL... OKAY— I'LL LET HIM IN!
6-20
GREETIN'S, KNOBS... WELCOME T' BATCH'LERS' ANANIMUSS!
WHAT TOOK YA SO LONG T'LET ME IN!..
THE GRIEVING BRIDE-TO-BE REFUSES TO REMOVE HER WEDDING GOWN... SHE IS POSITIVE THE GROOM WILL SHOW UP IN TIME FOR THE WEDDING...
HA-HA! THAT'S WHAT SHE THINKS.!
I GOTTA GET SOMETHIN' OFFA MY CHEST, JERRY... IT'S ABOUT A G-GIRL.! LET'S GO IN THERE...
NO.! YA CAN'T GO INTA TH-THAT ROOM.!

TERRY AND THE PIRATES By George Wunder

6 20
LEE, THE SLAVE DRIVER, WITH DAME TROUBLE? SARGE, YOU'RE KIDDING!
'S A FACT. THE MAJOR WAS ENGAGED TO MARRY A GAL NAMED TATTOO SOMETHING. ONLY SHE RUN OUT ON HIM.
IT WAS A CLOAK AND DAGGER BIT. HE FOLLOWED HER TO HONG KONG—AND CAME BACK ALONE, PAPPY.
SO HE GETS HER OUT OF HIS SYSTEM BY RIDING THIS OUTFIT DIZZY. HURRAY FOR US.

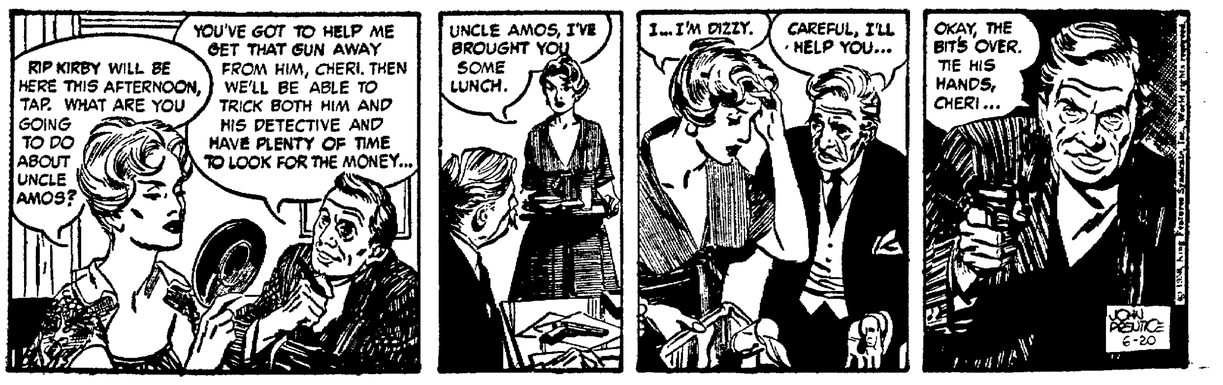
LEE MAY NOT HAVE WIFE AND KIDS, BUT HE'S MADE US INTO THE BEST FIGHTER OUTFIT IN THE FAR EAST! AND THAT COULD BE DOWN-RIGHT HANDY FOR EVERYBODY ELSE'S WIFE AND KIDS.

RIP KIRBY By John Prentice



RIP KIRBY WILL BE HERE THIS AFTERNOON, TAP. WHAT ARE YOU GOING TO DO ABOUT UNCLE AMOS?
YOU'VE GOT TO HELP ME GET THAT GUN AWAY FROM HIM, CHERI. THEN WE'LL BE ABLE TO TRICK BOTH HIM AND HIS DETECTIVE AND HAVE PLENTY OF TIME TO LOOK FOR THE MONEY...
UNCLE AMOS, I'VE BROUGHT YOU SOME LUNCH.
I... I'M DIZZY.
CAREFUL, I'LL HELP YOU...
OKAY, THE BIT'S OVER. TIE HIS HANDS, CHERI...
JOHN PRENTICE 6-20
